 and (iii) Class 6 Interest Holder, in the event it elects to be the Class 6 Investor and it votes  
 to accept the Plan;
- 26 4. The Holders of First Lien Loan Claims will receive: (a) their *Pro Rata* share of (i) a \$10  
 27 million paydown, and (ii) the Refinanced Secured Note; and, (b) if the First Lien Lenders do

 will be established in connection with the Refinanced Secured Loan;

- 1 5. Administrative Claims, Priority Claims (including Priority Tax Claims) and Other Secured

- 4 and New Borrower;
- 5 6. Executory Contracts, except for limited Excluded Contracts, will be assumed; and

5 The Total Capital Contribution will be used to fund Distributions to Creditors holding

 11 assumed by New Borrower such that the Claim is rendered unimpaired, except to the extent that the  
 12 Holder agrees to less favorable treatment thereof. Class 3 (First Lien Loan Claims), Class 4 (Trade  
 13 Unsecured Claims), Class 5 (Non-Trade Unsecured Claims) and Class 6 (Old Membership Interests)  
 14 will also receive Distributions under the Plan, to be approved by the Bankruptcy Court.

15 **B. Summary of Treatment of Claims and Interests Under the Plan.**

16 The following summary of the Plan is qualified in its entirety by reference to the detailed  
 17 explanations set forth in this Disclosure Statement and the Plan itself. For a more detailed  
 18 description of the Plan, see Article IV hereof and the Plan.

19 Pursuant to section 1123(a)(1) of the Bankruptcy Code, Allowed Administrative Claims and  
 20 Allowed Priority Tax Claims are not designated as Classes under the Plan. The Holders of such  
 21 unclassified Claims will be paid in full under the Plan or assumed by New Borrower, consistent  
 22 with the requirements of section 1129(a)(9)(A) of the Bankruptcy Code, and they are not entitled to  
 23 vote on the Plan. The Plan classifies all other Claims against and Interests in the Debtor that existed  
 24 on July 30, 2010, into six (6) separate Classes. Set forth below is a chart summarizing the  
 25 classification and treatment of Claims and Interests under the Plan.

1	Class	Description	Treatment	Estimated Amount of Claims <sup>3</sup>
2	Class 1:	Priority Claims	Not Impaired. Paid in full in cash or assumed by New Borrower. <i>See Section IV.B.2.a.</i>	\$1,731.23
3	Class 2:	Other Secured Claims	Not Impaired. Reinstated or assumed by New Borrower. <i>See Section IV.B.2.b.</i>	\$23,831.32
4	Class 3:	First Lien Secured Claims	Impaired. <i>Pro Rata</i> share of (i) a \$10 million paydown, (ii) the Refinanced Secured Note. <i>See Section IV.B.2.c.</i>	\$270,752,852.35 <sup>4</sup>
5	Class 4:	Trade Unsecured Claims	Impaired. Paid in full in cash without interest or assumed by New Borrower. <i>See Section IV.B.2.d.</i>	\$347,459.46
6	Class 5	Non-Trade Unsecured Claims	Impaired. Assuming Class 5 votes in favor of the Plan, Holders of Allowed Claims can elect either the (i) Cash Option or (ii) Equity Option, provided such electing Holder is an Accredited Investor. #### 18 THE DEBTOR, THE CURRENT DEBT 19 STRUCTURE AND PLAN OBJECTIVES

##### 20 A. Debtor's Capital Structure.

21 As disclosed in the *Omnibus Declaration of Mitchell J. Nelson Filed in Support of First Day*  
 22 *Motions* (the “Nelson First Day Dec.”),<sup>6</sup> FX I<sup>7</sup> is a limited liability company formed under the laws

23 <sup>3</sup> Unless specified otherwise, these amounts were compiled by combining the list of undisputed Claims listed on the  
 24 Debtor’s bankruptcy schedules and accounting for payments made or to be made during the Bankruptcy Case. As such,  
 25 these amounts may change as Proofs of Claims are filed and the adjudication or other resolution of pending contingent,  
 26 unliquidated and/or Disputed Claims occurs.

27 <sup>4</sup> As asserted by the First Lien Agent in the Lift Stay Motion (defined below). The Backstop Investors reserve the right  
 28 to contest these amounts.

29 <sup>5</sup> This amount represents the Second Lien Loan Claims, including principal and accrued interest until the Petition Date.  
 30 Docket No. 21.

31 <sup>7</sup> In August 2008, FX I changed its name from Metroflag BP, LLC, to FX Luxury Las Vegas I, LLC. At the same time,  
 32 affiliated entities BP Parent, LLC, and Metroflag Cable, LLC, changed their names to FX Luxury Las Vegas Parent,  
 33 LLC (“Las Vegas Parent”), and FX Luxury Las Vegas II, LLC (“FX II”), respectively. On November 5, 2009, FX II  
 34 merged its assets and operations into FX I. Subsequently, also on November 5, 2009, Las Vegas Parent merged its

1 of the state of Nevada on December 26, 2001. FX I is wholly-owned by FX Luxury, LLC (“FX  
 2 LLC”), a non-debtor limited liability company formed under the laws of the state of Delaware on  
 3 April 13, 2007.

4 FX, LLC is, in turn, owned by (i) FXL, Inc., a non-debtor corporation incorporated under  
 5 the laws of the State of Delaware on December 21, 2009, which is wholly owned by FXRE, a non-  
 6 debtor publicly traded C-corporation incorporated under the laws of the State of Delaware on June  
 7 15, 2007, and (ii) FXL Priority Corp., a non-debtor corporation formed under the laws of the state  
 8 of Delaware on December 21, 2009. A chart outlining the ownership structure of FX I and its  
 9 affiliates is attached hereto as **Exhibit “B”** and is incorporated herein by reference. A history of the  
 10 Debtor’s business operations and its non-debtor affiliates is detailed in FXRE’s 10-K annexed to the  
 11 Nelson First Day Dec., which is attached hereto as **Exhibit “C”** and is incorporated herein by  
 12 reference.

13 **B. The Debtor’s Business Operations.**

14 ***1. The Property.***

15 As disclosed in the Nelson First Day Dec., the Debtor owns and operates real property  
 16 consisting of nine contiguous tax parcels,<sup>8</sup> comprised of six leasable parcels, covering  
 17 approximately 17.89 contiguous acres of land (collectively, the “Property”) located at the southeast  
 18 corner of Las Vegas Boulevard and Harmon Avenue in Las Vegas, Nevada and extending south  
 19 almost to Tropicana Avenue. The Property is currently comprised of a motel operation and several  
 20 commercial and retail tenants with a mix of short and long-term leases, including well-known  
 21 establishments such as Smith & Wollensky, McDonald’s, Fatburger, Walgreen’s, and Sunglass Hut.  
 22 Prepetition, the Debtor and its affiliates had commenced design and planning for the Property’s  
 23 redevelopment plan that included a hotel, casino, entertainment, retail, commercial and residential  
 24 development project. As a result of the disruption of the capital markets and the economic  
 25 downturn in the U.S. in general, and Las Vegas in particular, the Debtor decided not to proceed with

26 assets and operations into FX I. The merger of FX II and Las Vegas Parent into FX I accomplished a more accurate  
 27 reflection of the actual business operations of the entities, which the Debtor states have always been consolidated and  
 effectively operated as a single enterprise.

28 <sup>8</sup> The Assessor’s Office for Clark County, Nevada identifies the tax parcels by Assessor Parcel Numbers 162-21-301-  
 001, 162-21-301-003, 162-21-301-009, 162-21-301-014, 162-21-301-016, 162-21-301-017, 162-21-301-018, 162-21-  
 301-019 and 162-21-301-020.

1 its originally proposed redevelopment plan.

2 The Property consists of six parcels described as follows:

3 a) Parcel 1 – is comprised of 0.996 acres. One tenant currently occupies parcel  
 4 1. The lease is terminable at any time by either party upon one hundred twenty (120) days' prior written notice and without the payment of a termination fee.

5 b) Parcel 2 – is comprised of 5.135 acres. The land is occupied by a Travelodge  
 6 motel, which FX I owns in fee, as well as several retail, billboard and parking lot tenants.  
 7 The Travelodge motel is being operated by WW Lodging Limited, LLC ("WW Lodging"),  
 8 pursuant to a management agreement (the "WW Agreement"). The WW Agreement is  
 9 terminable upon thirty (30) days' prior notice and a termination fee equal to 4% of the  
 trailing twelve (12) months room revenue multiplied by 200%. The property's retail,  
 billboard and parking lot leases are month-to-month.

10 c) Parcel 3 – is comprised of 2.356 acres. This parcel currently hosts the  
 11 Hawaiian Marketplace, which consists of multiple retail tenants. All but six of the leases on  
 12 this property are terminable at any time upon thirty (30) days' (in one instance one hundred  
 13 eighty (180) days') advance written notice and without payment of a termination fee. The six  
 leases not terminable with notice are terminable by FX I at any time upon the exercise of  
 options to either repurchase, recapture or relocate the premises.

14 d) Parcel 4 – is comprised of 4.49 acres. It is currently occupied by several  
 15 tenants. The leases are month-to-month, except for a lease with a single tenant whose lease  
 16 term expires in July 2014.

17 e) Parcel 5 – is comprised of 3.008 acres. The property accommodates 51,414  
 18 square feet of retail space and is currently occupied by several restaurant and retail tenants.  
 One lease term expires in January 2012, but is terminable earlier upon one hundred twenty  
 (120) days' advance written notice and requires payment of an early termination fee of  
 \$200,000. A second lease term expires in August 2012, with the tenant holding an option to  
 extend the lease for an additional five years. A third lease term expires in May 2059.

19 f) Parcel 6 - is comprised of 1.765 acres. The property accommodates 2,094  
 20 square feet of retail space and is currently occupied by a restaurant and several retail tenants.  
 One lease term expires in December 2013, another lease term expires in April 2011 and a  
 21 third lease term expires in February 2014, with the tenant holding an option to extend the  
 lease term for an additional five years. A fourth lease term expires in May 2045.

22 **2. *Tenants, Rental Income and Expenses.***

23 As disclosed by the Debtor,<sup>9</sup> as of March 2010, there are a total of ninety (90) leasable  
 24 spaces with sixty-three (63) occupied spaces and twenty-seven (27) vacant spaces, and the Property

 8 Exhibit A. A true and correct copy of the May 3 Receiver Report is attached hereto as **Exhibit “E.”**

9           **3.       *Motel Operations.***

10           As disclosed in the Nelson First Day Dec., the motel situated on the Property, branded as a  
 11 Travelodge, is a 125-room limited service motel wholly-owned by the Debtor and managed by WW  
 12 Lodging, pursuant to the WW Agreement. Pursuant to the WW Agreement, all Travelodge  
 13 employees are employed directly by WW Lodging. As of the Petition Date, WW Lodging  
 14 controlled all revenues and paid the expenses of, and FX I was receiving no revenues from, the  
 15 Travelodge operation. Revenues available for distribution, if any, would have been sent directly to  
 16 a lockbox account (the “Lockbox Account”) controlled by Landesbank Baden-Württemberg, New  
 17 York Branch (“LBBW”), as administrative agent and as collateral agent (“First Lien Agent”) for the  
 18 senior secured lenders (“First Lien Lenders,” and together with First Lien Agent, the “First Lien  
 19 Parties”) holding a first priority Lien against the Property.

20           **C.       *The Loans Against the Property.***

21           As disclosed in the Nelson First Day Dec., the Property is encumbered by Liens securing  
 22 loans having an aggregate principal balance of approximately \$475 million as of December 31,  
 23 2008, including (i) two-tranche senior secured first priority loans (the “First Lien Loan”) in the  
 24 initial principal amounts of approximately \$250 million (the “Note A Tranche”) and \$30 million  
 25 (the “Note B Tranche”) made by the First Lien Lenders, pursuant to that certain Amended and

1 Restated Credit Agreement, dated as of July 6, 2007 (as amended, modified or supplemented from  
 2 time to time, the “First Lien Credit Agreement,” and together with the Loan Documents (as defined  
 3 in the First Lien Credit Agreement), the (“First Lien Loan Documents”) and that certain Co-Lender  
 4 Agreement, dated as of July 6, 2007, by and between Column Financial, Inc., Münchener  
 5 Hypothekenbank eG (“MHB”) and Deutsche Hypothekenbank (Actien-Gesellschaft) (“Deutsche  
 6 Hypo”), with the Note B Tranche to at all times be junior, subject and subordinate to the Note A  
 7 Tranche, Deutsche Hypo’s interest in the Note A Tranche in an amount equal to \$125 million and  
 8 MHB’s interests in the Note A Tranche in an amount equal to \$125 million and in the Note B  
 9 Tranche in an amount equal to \$30 million; and (ii) secured second priority loans in the initial  
 10 principal amount of approximately \$195 million (the “Second Lien Loan,” and together with the  
 11 First Lien Loan, the “Loans”) made by and among the lenders thereof (the “Second Lien Lenders”),  
 12 the Debtor Parties and Nexbank SSB, as successor-in-interest to Credit Suisse, Cayman Islands  
 13 Branch (“CS”), as second lien administrative agent and collateral agent (the “Second Lien Agent”  
 14 and together with the Second Lien Lenders, the “Second Lien Parties”), pursuant to that certain  
 15 Amended and Restated Credit Agreement, dated as of July 6, 2007 (as amended, the “Second Lien  
 16 Credit Agreement”).

17 On May 11, 2007, the First Lien Lenders recorded a First Lien Deed of Trust, Security  
 18 Agreement, Assignment of Rents and Leases and Fixture Filing (the “First Lien Deed of Trust”)  
 19 against the Property, as Book No. 20070511, Instrument 0004533, in the Official Records of the  
 20 Office of the County Recorder, Clark County, Nevada (the “Official Records”). In connection with  
 21 the First Lien Deed of Trust, the First Lien Agent recorded the following financing statements in the  
 22 Official Records on May 11, 2007: Book No. 20070511, Instrument 0004534; Book No. 20070511,  
 23 Instrument 0004535; Book No. 20070511, Instrument 0004537; and Book No. 20070511,  
 24 Instrument 0004538.

25 Also on May 11, 2007, the Second Lien Agent recorded a Second Lien Deed of Trust,  
 26 Security Agreement, Assignment of Rents and Leases and Fixture Filing against the Property as  
 27 Book No. 20070511, Instrument 0004536, in the Official Records, as amended by that certain First  
 28 Amendment to Second Lien Deed of Trust, Security Agreement, Assignment of Rents and Leases

1 and Fixture Filing, dated as of July 6, 2007, and recorded on July 6, 2007, in Book 20070706 as  
 2 Instrument 0004185 in the Official Records (as amended, amended and restated, modified or  
 3 supplemented from time to time, the “Second Lien Deed of Trust”).

4 Pursuant to the terms of that certain Assignment Agreement, dated as of December 17, 2007,  
 5 (i) Deutsche Hypo assigned a portion of its interest in the Note A Tranche in an amount of \$80  
 6 million to LBBW and (ii) MHB assigned a portion of its interest in the Note A Tranche in an  
 7 amount of \$50 million to LBBW and LBBW acquired its interest as a First Lien Lender, subject to  
 8 the First Lien Credit Agreement and the other First Lien Loan Documents.

9 Pursuant to the terms of that certain Assignment Agreement, dated as of June 25, 2009,  
 10 MHB assigned a portion of its interest in the Note A Tranche in an amount of \$50 million to Great  
 11 Lakes Reinsurance (UK) PLC (“Great Lakes”) and Great Lakes acquired its interest as a First Lien  
 12 Lender, subject to the First Lien Credit Agreement and the other First Lien Loan Documents.

13 The Debtor Parties subsequently entered into that certain Amended and Restated  
 14 Intercreditor Agreement dated July 6, 2007, with CS, as collateral agent for the First Lien Lenders  
 15 and the Second Lien Lenders (the “Intercreditor Agreement”). The Intercreditor Agreement was  
 16 intended to establish the rights and obligations between the First Lien Parties and the Second Lien  
 17 Parties, including lien priorities and the enforcement of remedies with respect to the collateral  
 18 securing the Loans. The beneficial interests under the First Lien Deed of Trust were subsequently  
 19 assigned to the First Lien Agent by recordation on March 23, 2009, of an Assignment of Deed of  
 20 Trust dated March 20, 2009, as Book No. 20090323, Instrument 0004872, in the Official Records.

21 **D. Events Leading Up to Bankruptcy.**

22 **1. *Economic Crisis.***

23 As disclosed in the Nelson First Day Dec., the current global financial crisis has had a  
 24 particularly grave impact on the Las Vegas real estate market, including a substantial reduction in  
 25 the number of visitors and per visitor spending, the abandonment of, and/or loan defaults related to,  
 26 several major new hotel and casino development projects, as well as publicly expressed concerns  
 27 regarding the financial viability of several of the largest hotel and casino operators in the Las Vegas  
 28 market. The economic climate adversely affected the Property’s commercial leasing activities and,

1 as a result, the Debtor failed to maintain its previously high tenant occupancy rates amid these  
 2 market conditions. In addition, market forecasts indicate Las Vegas may experience a prolonged  
 3 decline in developing new hotels and other entertainment venues, which could adversely affect any  
 4 potential redevelopment of the Property for the immediate future.

5 ***2. The Default.***

6 As disclosed in the Nelson First Day Dec., FX I, as the surviving Entity following the  
 7 merger of the Debtor Parties, is currently in default on the Loans as a result of the Debtor Parties'  
 8 failure to repay the full amounts due and owing at maturity on January 6, 2009.

9 On January 30, 2009, the First Lien Agent seized the cash collateral reserve accounts from  
 10 which the Debtor Parties had been drawing working capital funds to meet ordinary operational  
 11 expenses at the Property. At that time, the First Lien Lenders applied \$21 million of the cash  
 12 collateral reserve to the outstanding principal of the First Lien Loan, leaving, as of March 27, 2009,  
 13 an outstanding principal balance of approximately \$259 million under the First Lien Loan. The  
 14 principal amount of \$195 million under the Second Lien Loan remained outstanding. In addition,  
 15 the First Lien Parties directed the Property's existing tenants to make all monthly lease payments  
 16 directly to them. In addition, the First Lien Agent revoked the Debtor's license to collect, receive,  
 17 use and enjoy the Rents, and instructed the Debtor to deposit any rents it might receive into the  
 18 Lockbox, which practice continued through the Petition Date

19 Subsequent to the default on the First Lien Loan, the First Lien Agent issued a Notice of  
 20 Breach and Election to Sell, which was recorded April 9, 2009, in the Official Records as Book No.  
 21 20090409, Instrument 0003049, Foreclosure Proceeding #A9-03-0016 FCL.

22 On or about May 12, 2009, the Debtor Parties, as borrowers on the Loans, and FX LLC, as  
 23 guarantor, entered into that certain Pre-Negotiation Agreement with the First Lien Parties and  
 24 Second Lien Parties, in order to explore negotiations for a consensual resolution to the issues  
 25 surrounding the existing default on the Loans.

26 ***3. Appointment of the Receiver.***

27 As disclosed in the Nelson First Day Dec., the First Lien Agent later commenced an action  
 28 in the Eighth Judicial District Court, Clark County, Nevada ("Nevada District Court"), as case no.

1 A-09-591831-B, Dept. No.: XIII, and obtained the appointment of a receiver (the “Receiver”),  
 2 pursuant to Nevada District Court order dated June 22, 2009, as amended by an order dated August  
 3 6, 2009 (the “Receivership Order”). Among other things alleged by the First Lien Agent in support  
 4 of the Receiver’s appointment was mismanagement and excessive management charges by the  
 5 Debtor’s managers (*i.e.*, Paul C. Kanavos (“Kanavos”)) and, upon information and belief, Brett  
 6 Torino (“Torino”) with respect to the Property. The Receiver took possession of the Property on or  
 7 about June 23, 2009.

8 In the meantime, as a result of the Lockbox arrangement instituted by the First Lien Agent  
 9 on January 30, 2009, the First Lien Agent exercised *de facto* control over all decisions related to the  
 10 Property (including as to budgeting and payments to the Receiver and the Debtor) through the  
 11 Petition Date by virtue of its control over the Debtor’s cash flows.

12 Nevada Title Company, as duly substituted trustee under and pursuant to the First Lien  
 13 Credit Agreement and the First Deed of Trust, issued a Notice of Trustee’s Sale, dated July 7, 2009,  
 14 and recorded July 10, 2009, in the Official Records as Book No. 20090710, Instrument 0002151,  
 15 Trustee Sale #A9-03-0016 FCL.

16 On September 9, 2009 (and on numerous occasions thereafter), the First Lien Agent caused  
 17 a Certificate of Postponement to be issued, extending the date of the foreclosure sale of the  
 18 Property.

19 While the Property is generating revenues in excess of First Lien Loan debt service  
 20 obligations, the ongoing Las Vegas tourism and real estate market financial crises have resulted in  
 21 the Property’s depressed leasing capacity which, in turn, has severely impacted the Debtor’s ability  
 22 to re-negotiate or repay the past-due amounts currently due and owing on the Loans. As a whole,  
 23 these factors necessitated the Debtor’s filing the Chapter 11 Case.

24 **4. *The Lock-Up Agreement, LBBW/Insider Plan and Related Events.***

25 Following the First Lien Agent’s noticing of the foreclosure sale, on October 27, 2009, a  
 26 Lock Up and Plan Support Agreement (the “Lock-Up Agreement”) was executed among: (i) the  
 27 Debtor Parties; (ii) the First Lien Parties, and (iii) the LIRA Entities, entities created by Robert F.X.  
 28 Sillerman, Kanavos and Torino (collectively, the “Insiders”), who are directors, executive officers

1 and/or greater than 10% stockholders and collectively own and control at least 73% of FXRE.<sup>12</sup>

2 The Lock-Up Agreement contemplated the Debtor filing for bankruptcy, and implementing  
 3 a two-step disposition transaction for the sole benefit of the First Lien Parties and the Insiders, as  
 4 follows: (1) at the outset of the Chapter 11 Case, the Debtor sought to conduct an auction of the  
 5 Property; and (2) if the auction did not yield a cash bid equal to or greater than \$256 million, the  
 6 Debtor would have sought to effectuate a prearranged sale of the Assets to the LIRA entities via a  
 7 pre-packaged liquidation plan (the “LBBW/Insider Plan”) whereby other parties were to be  
 8 precluded from submitting higher or better offers for the Assets.

9 On November 12, 2009, in response to the Lock-Up Agreement, the Second Lien Agent  
 10 filed a complaint in the Southern District of New York for, among other things, breach of fiduciary  
 11 duty against, among others, the Debtor and its Insiders.

12 Thereafter, certain of the Second Lien Parties entered into settlement negotiations with,  
 13 among others, the Debtor, the Insiders and the First Lien Parties. In connection with such  
 14 settlement negotiations, the Second Lien Agent and the Lock-Up parties entered into a lock-up  
 15 agreement and a stipulation pursuant to which the Second Lien Agent agreed to (and did)  
 16 voluntarily dismiss the complaint, without prejudice. Ultimately, however, settlement negotiations  
 17 failed.

18 On April 8, 2010, certain of the Second Lien Lenders entered into a lock-up agreement with  
 19 Huff to propose or otherwise support an alternative restructuring, including a competing plan of  
 20 reorganization, which would allow for meaningful and equitable participation by all claim and  
 21 equity holders free of the self-dealing of the Insiders and the First Lien Lenders. The Plan is the  
 22 product of that agreement.

23 **E. The Chapter 11 Case and the Backstop Investors’ Objectives in Filing the Plan.**

24 **1. *The Chapter 11 Case.***

25 On the Petition Date, the Debtor sought entry of several “first day orders” and filed  
 26 applications or motions, and supporting pleadings with the Bankruptcy Court. First day orders are  
 27 intended to facilitate the transition between a debtor’s pre-petition and post-petition business

28 <sup>12</sup> The Lock-Up Agreement, as amended, is annexed to the Nelson First Day Dec.

1 operations by approving certain regular business practices that may not be specifically authorized  
 2 under the Bankruptcy Code or as to which the Bankruptcy Code requires prior approval by the  
 3 Bankruptcy Court. The following summary details many of the first day orders that were sought  
 4 and the disposition of such orders after presentation to the Bankruptcy Court.

5                   **a.        Bid Procedures.**

6                   On the Petition Date, in addition to filing the LBBW/Insider Plan, the Debtor filed a Motion  
 7 for an Order (i) approving bidding procedures in connection with the sale of the Property, (ii)  
 8 scheduling an auction in connection thereto, and (iii) approving the form and manner of notice of  
 9 the auction (the “Original Bid Procedure Motion”). By the Original Bid Procedure Motion, the  
 10 Debtor sought authorization to sell substantially all of the Assets via an auction that would have  
 11 required, among other things, a minimum cash bid of \$256 million (the “Minimum Bid Threshold”).  
 12 The Original Bid Procedure Motion provided that if no bids satisfying the Minimum Bid Threshold  
 13 were received, the Lock-Up Agreement parties would have proceeded to effectuate the prearranged  
 14 sale of the Property to the Insiders under the LBBW/Insider Plan.

15                   Certain objectors, including certain of the Second Lien Parties, filed objections to the  
 16 Original Bid Procedure Motion on several grounds, including that the procedures chilled, rather  
 17 than encouraged bidding.<sup>13</sup> On May 26, 2010, the Bankruptcy Court entered an Order denying the  
 18 Original Bid Procedures Motion.<sup>14</sup> On June 2, 2010, the Debtor filed a motion seeking approval of,  
 19 among other things, amended bid procedures (the “Amended Bid Procedures Motion”).<sup>15</sup> On June  
 20 25, 2010, the Debtor withdrew the Amended Bid Procedures Motion.<sup>16</sup>

21                   **b.        Cash Collateral.**

22                   On the Petition Date, the Debtor filed a motion for interim and final orders authorizing the  
 23 Debtor’s use of cash collateral and granting adequate protection in connection thereto (the “Cash  
 24 Collateral Motion”).<sup>17</sup> According to the Debtor, it needed the ability to use cash collateral so that it  
 25 could operate as a debtor and debtor in possession. As of the Petition Date, the First Lien Lenders

 3 constitutes "cash collateral" of the First Lien Lenders (the "Cash Collateral"). Under the  
 4 Bankruptcy Code, the Debtor is prohibited from using, selling, or leasing cash collateral unless  
 5 either the appropriate Creditors consent to such use of cash collateral, or the Bankruptcy Court  
 6 approves the use of the cash collateral after notice and a hearing. The Debtor negotiated with the  
 7 First Lien Agent, on behalf of the First Lien Lenders, a stipulated consensual use of the Cash  
 8 Collateral.

9 By the Cash Collateral Motion, the Debtor sought to grant adequate protection to the First  
 10 Lien Agent on behalf of the First Lien Lenders for and equal in amount to the aggregate diminution  
 11 in value of the Prepetition Collateral, including, among other things, replacement liens in post-  
 12 petition collateral, payment of interest, professional fees and expenses and accrual of interest not  
 13 otherwise paid. The Debtor also sought to grant adequate protection replacement liens to the  
 14 Second Lien Agent on behalf of the Second Lien Lenders.

15 On April 30, 2010, the Bankruptcy Court approved the Cash Collateral Motion on an interim  
 16 basis, subject to objection and a final order.<sup>18</sup> On May 4 and 5, 2010, responses were filed,  
 17 including by certain of the Second Lien Parties, to the Cash Collateral Motion including on the  
 18 grounds that, as an undersecured creditor (*i.e.*, the First Lien Loan Claims significantly exceeded  
 19 the collateral securing such claims), the First Lien Lenders could not receive payment and accrual  
 20 of interest and payment of fees and expenses. The Cash Collateral Motion was scheduled to be  
 21 heard by the Bankruptcy Court on May 10, 2010, but after the Bid Procedures Motion was denied,  
 22 the Debtor and the First Lien Parties adjourned the hearing to consider the Cash Collateral Motion  
 23 to June 11, 2010. On June 11, 2010, after the Court granted the Exclusivity Motion (defined  
 24 below), the Debtor and the First Lien Parties again adjourned the hearing to consider the Cash  
 25 Collateral Motion, this time to July 7, 2010.

26 On June 10, 2010, the First Lien Agent filed a motion for relief from the automatic stay (the

1     “Lift Stay Motion”)<sup>19</sup> to enable it to foreclose on the Property in the event the Bankruptcy Court,  
 2     among other things, granted the Exclusivity Motion (defined below). Upon the Bankruptcy Court’s  
 3     entry of the Exclusivity Order (defined below), the Lift Stay Motion was “triggered.”

4           Thereafter, on June 25, 2010, the Debtor filed its (i) opposition to the Lift Stay Motion,  
 5     asking the Bankruptcy Court to allow the Plan to proceed to confirmation and (ii) emergency  
 6     motion for, among other things, the authority and approval to use cash collateral (the “Emergency  
 7     Cash Collateral Motion”).<sup>20</sup>

8           On July 9, 2010, the First Lien Agent filed (i) an amended motion for relief from the  
 9     automatic stay (the “Amended Lift Stay Motion”),<sup>21</sup> and (ii) an objection to the Emergency Cash  
 10    Collateral Motion (the “Cash Collateral Objection”),<sup>22</sup> both of which were scheduled for hearing on  
 11    July 21, 2010 (the “July 21 Hearing”). On July 16, 2010, (i) the Second Lien Agent and the  
 12    Backstop Investors, and (ii) the Debtor, each filed objections to the Amended Lift Stay Motion  
 13    (together, the “Amended Lift Stay Objections”).<sup>23</sup> On July 19, 2010, the First Lien Agent filed an  
 14    omnibus response to the Amended Lift Stay Objections,<sup>24</sup> and on July 20, 2010, the Second Lien  
 15    Agent and the Backstop Investors filed their surreply to the First Lien Agent’s omnibus response  
 16    (the “Surreply”).<sup>25</sup>

17           At the July 21 Hearing, the Court explained the legal burdens the First Lien Agent would  
 18    have to satisfy in order to prevail on its Amended Lift Stay Motion. Consequently, the parties  
 19    agreed to continue the Amended Lift Stay Motion to the hearing to consider the Disclosure  
 20    Statement. In addition, the parties resolved the Cash Collateral Objection and agreed on a stipulated  
 21    consensual use of cash collateral.

 3 administration of the Debtor's property.

4 Pursuant to Bankruptcy Code Section 543(b)(2) and the Turnover Stipulation, the May 3  
 5 Receiver's Report contained a preliminary accounting detailing all property of the Debtor, including  
 6 the Property, or proceeds, product, offspring, rents, or profits of such property, that, at any time,  
 7 came into the possession, custody or control of Receiver was filed.

8 On April 26, the Bankruptcy Court "So-Ordered" the Turnover Stipulation.<sup>26</sup>

9 **d. Cash Management.**

10 On the Petition Date, the Debtor filed a motion<sup>27</sup> seeking a Bankruptcy Court order

13 **e. Motion Not to Convene Meeting of Creditors Pursuant to  
 14 11 U.S.C. § 341(a) and to Set Claim Bar Dates and the 341 Notice.**

15 On the Petition Date, the Debtor filed a motion requesting entry of an Order that the United  
 16 States Trustee not convene a meeting of the Debtor's Creditors or Interest Holders pursuant to  
 17 Bankruptcy Code Section 341(a) or (b) and setting bar dates for the respective Proofs of Claims to  
 18 be filed (the "341 Motion").<sup>30</sup> In the 341 Motion, the Debtor argued there was no need or basis for  
 19 convening a meeting of Creditors or Interest Holders because (i) prior to commencing the Chapter  
 20 11 Case, the Debtor solicited acceptance of the Plan from the First Lien Lenders, the only Impaired  
 21 Class entitled to vote to accept or reject the LBBW/Insider Plan and (ii) the Second Lien Lenders  
 22 would serve as a significant safeguard for the interests of the Holders of unsecured claims.

23 In addition, the 341 Motion sought to establish the following claim bar dates: (i) a Priority

 3 Date through the Effective Date, except Professional Fees; and (iii) a deadline of no later than  
 4 twenty (20) days after the Effective Date of the Plan for Filing all final applications for  
 5 compensation for Professional Fees. Under the 341 Motion, failure to file a Proof of Claim by the  
 6 applicable deadlines by any Holder of a Claim or Interest, whose Claim or Interest is not scheduled  
 7 or scheduled as disputed, contingent, or unliquidated will result in disallowance of the Claim or  
 8 Interest and no Distribution to the Claim Holder. The 341 Motion did not seek to establish a bar  
 9 date for general unsecured claims because the LBBW/Insider Plan proposed to wipe out all general  
 10 unsecured claims. The 341 Motion also sought to obviate the need for the Holders of First Lien  
 11 Loan Claims and Second Lien Loan Claims to file proofs of claim (the “Deemed Filed Request”).

12 At the hearing to consider the 341 Motion, the Debtor withdrew its request to not convene a  
 13 341 meeting of creditors, and on May 7, 2010, the Bankruptcy Court entered an order granting the  
 14 341 Motion as it pertained to Priority (June 30, 2010) and Administrative Claim Bar Dates and the  
 15 Deemed Filed Request.<sup>31</sup>

16 Separately, in the Notice of Meeting of Creditors,<sup>32</sup> August 27, 2010 was set as the deadline  
 17 for all creditors, including General Unsecured Creditors, to file proofs of claim against the Debtor,  
 18 other than for governmental units who have a deadline of November 27, 2010.

19 **f. Employment and Retention of Property Manager**

20 On the Petition Date, the Debtor filed an application for an Order authorizing the  
 21 employment of Commerce CRG of NV, LLC, doing business as CCRG/Cushman & Wakefield

 23 Travelodge motel is situated (the “C&W Application”).<sup>33</sup> Prior to the Petition Date, at the  
 24 Receiver’s discretion and pursuant to the Receivership Order, the Receiver executed a property

 26 opined that in its business judgment, (i) a property manager is essential to the Debtor’s ability to

5 On May 7, 2010, the Bankruptcy Court entered an interim Order,<sup>34</sup> and on May 13, 2010, the

- 10 ii. Greenberg Traurig, LLP as the Debtor's special real estate counsel-granted;<sup>37</sup>
- 11 iii. Sierra Consulting, LLC as the Debtor's financial advisor-granted;<sup>38</sup>
- 12 iv. Kent Appraisal Services as the Debtor's appraiser ("Kent")-granted;<sup>39</sup>
- 13 v. Employment/compensation of ordinary course professionals-denied.<sup>40</sup>

15 On the Petition Date, the Debtor filed motions for entry of Orders with respect to the

The hearing to consider the Trustee Motion was later continued to July 19, 2010. On June 28, 2010, the parties entered into, and submitted to the Bankruptcy Court, a stipulation seeking to continue the hearing on the Trustee Motion to a date after September 1, 2010.

**c. Intercreditor Adversary Proceeding.**

On April 30, 2010, the Second Lien Agent commenced an adversary proceeding (No. 10-01157-bam) (the “Adversary Proceeding”) by filing a complaint against the First Lien Agent alleging that the First Lien Parties breached the Intercreditor Agreement, and therefore, the Second Lien Parties should not be bound by the Intercreditor Agreement.<sup>52</sup>

On June 7, 2010, the First Lien Agent filed an answer in the Adversary Proceeding,<sup>53</sup> and on June 28, 2010, the First Lien Agent filed an amended answer in the Adversary Proceeding and asserted certain counterclaims therein (the “Amended Answer”).<sup>54</sup> On July 19, 2010, the Second Lien Agent filed a motion to dismiss the counterclaims in the Amended Answer (the “Motion to Dismiss”).<sup>55</sup> A pre-trial conference is set for November 29, 2010 at 9:00 a.m. (PST) and the trial is set for December 1-3, 2010, beginning each day at 9:30 a.m. (PST) other than December 2, 2010, which will begin at 1:30 p.m. (PST).<sup>56</sup>

### 3. *The First Lien Agent's Position on the Plan*

In the Amended Lift Stay Motion, the First Lien Agent argues, among other things, that the automatic stay should be lifted because the Plan is unconfirmable, because:

1 “fair and equitable” requirement (*i.e.*, the proposed interest rate is too low, the term is too long, the  
 2 loan-to-value ratio is too high, and the Refinanced Secured Note does not contain standard lender  
 3 protections such as limits on returns to equity holders, bad boy guaranties, and other financial and  
 4 restrictive covenants).<sup>57</sup> Amended Lift Stay Motion at pp. 19-21.

5 (2) The Plan, which the First Lien Agent asserts is really a sale, does not comply  
 6 with Bankruptcy Code sections 363 and 1129(b). Specifically, the First Lien Agent argues that the  
 7 Plan improperly does not (a) provide them with the opportunity to credit bid their debt pursuant to  
 8 Bankruptcy Code section 363(k), and (b) demonstrate that the price being paid for the Property is  
 9 fair, reasonable, and on market terms, which the First Lien Agent argues could only be shown by  
 10 exposing the “sale” to the market through an auction. *Id.* at pp. 22-23.

11 (3) The Plan contemplates payments to the Backstop Investors under the Plan, such  
 12 as the post-petition repayment of the Initial Capital Contribution and reimbursement of legal fees  
 13 that are violative of Bankruptcy Code section 1129(a)(1). *Id.* at pp. 24-25.

14 (4) The Plan could not satisfy the “best interests of creditors” test because the First  
 15 Lien Parties would receive **as much** under the Plan as they would in a chapter 7 liquidation, which  
 16 is violative of Bankruptcy Code section 1129(a)(7). *Id.* at pp. 25-26.

17 (5) The Plan contemplates giving value to stakeholders other than the First Lien  
 18 Parties, who should receive 100% of any value up to the full amount of their claims, which  
 19 constitutes an impermissible gift designed to create an impaired consenting class. *Id.* at pp. 26-27.

20 (6) The Plan creates a separate convenience class (*i.e.*, Class 4-Trade Unsecured  
 21 Claims) for the purpose of gerrymandering an impaired consenting class. *Id.* at p.27.

22 (7) The Plan violates the “absolute priority rule” and could not satisfy the “new  
 23 value plan” requirements because junior creditors and equity holders would receive value under the  
 24

25 <sup>57</sup> See also Declaration of Andrew A. Manley (the “Manley Dec.”) (Docket No. 381).

1 Plan despite the fact that impaired, senior creditors (*i.e.*, the First Lien Parties) would vote to reject  
 2 the Plan. *Id.* at p. 27-29.

3 (8) The Plan is not feasible given that the income from the Property and the  
 4 Refinanced Secured Loan Reserves described in the Plan would not be sufficient to service the  
 5 Refinanced Secured Note obligations over its term.<sup>58</sup> *Id.* at pp. 29-30.

6 (9) The Plan was not proposed in good faith because the Backstop Investors  
 7 proposed the Plan in the hopes of diverting value from the First Lien Lenders and preserving it for  
 8 out-of-the-money stakeholders. *Id.* at p. 31.

9 (10) Given that the Intercreditor Agreement prohibits confirmation of the Plan, the  
 10 Backstop Investors would first have to prevail in the Adversary Proceeding before the Plan can be  
 11 confirmed. *Id.* at pp. 33-34.

12 As set forth in the Backstop Parties papers filed in connection with the Amended Lift  
 13 Stay Motion, ***the Backstop Investors do not believe the First Lien Parties' arguments have merit***  
 14 ***and believe the Plan can, and likely will be confirmed.*** As (i) set forth in the Surreply, (ii)  
 15 provided in the Plan and in the amended Refinanced Secured Note annexed hereto as **Exhibit "G,"**  
 16 and (iii) described herein, the First Lien Parties will be receiving treatment under the Plan that  
 17 satisfies all of the Bankruptcy Code's confirmation requirements. In addition, contemporaneously  
 18 herewith, the Backstop Investors have filed modified Refinanced Documents providing the  
 19 First Lien Parties with additional provisions regarding the treatment of their claim.

 3 Among the more significant assets and liabilities listed in the Schedules are the following:

4 **1. Assets.**

5 **a. The Real Property.**

6 The Debtor owns the Property described above. On June 2, 2010, the Debtor filed the Kent  
 7 Report valuing the Property as follows: (1) assuming a number of factors including the Debtor's  
 8 net operating income doubling to \$14,970,676, a fair value of \$235,095,000; and (2) a liquidation  
 9 value of \$137,700,000. On July 9, 2010, the First Lien Agent filed the (i) *Declaration of Keith*  
 10 *Harper*, which attached an appraisal of Snyder Valuation, the First Lien Agent's retained appraiser,  
 11 who valued the Property at \$183 million,<sup>59</sup> and (ii) *Declaration of Randall A. Fine* ("Fine Dec."), in  
 12 which Mr. Fine opined that the Property Value declined by approximately \$5 million since the  
 13 Petition Date.<sup>60</sup> Nevertheless, under the Plan, the Backstop Investors have stipulated that the value  
 14 of the Property as of the Effective Date is \$188 million. In addition, the Backstop Investors have  
 15 agreed to facilitate the Debtor's reorganization and take title to the Property for capital contributions  
 16 in excess of \$20 million and a refinanced first lien loan with a present value equal to \$188 million,  
 17 the value ascribed by the First Lien Agent's experts<sup>61</sup> as of the Petition Date.<sup>62</sup>

18 **b. Cash and Accounts Receivable.**

19 According to the Debtor: (1) as of March 29, 2010, the Debtor had approximately:  
 20 \$1,500.00 in cash in its Travelodge Daily Opening Cash Drawer, \$205,313.98 in the Travelodge  
 21 Account, and \$4,839.27 in the Debtor's Operating Account; and (2) as of February 28, 2010, there

2                   c.        **Other Personal Property.**

3                   According to the Debtor, all of its other assets such as office equipment, furnishing, and  
4 supplies are *de minimis* in value. Other personal property such as prepaid expenses will be in the  
5 approximate amount of \$545,302, as of March 29, 2010.

6                   2.        ***Liabilities.***

7                   According to the Debtor, it has two primary liabilities: the First Lien Loan Claims in the  
8 approximate amount of \$270,752,852.35 and the Second Lien Loan Claims in the approximate  
9 amount of \$233,155,094.16. In addition, the Debtor owes approximately \$347,459.46 to Holders  
10 of Trade Unsecured Claims.

12                   ARTICLE IV.

13                   **DESCRIPTION OF CHAPTER 11 REORGANIZATION PLAN**

15                   A.        **Overall Structure of the Plan.**

16                   Under the Plan, Claims against, and Interests in, the Debtor are divided into Classes  
17 according to their relative seniority and other criteria. If the Bankruptcy Court confirms the Plan  
18 and it is consummated, the Holders of Allowed Administrative, Allowed Priority Tax, Allowed  
19 Priority Claims and Trade Unsecured Claims will receive Distributions in Cash equal to the full  
20 amount of their Claims. The First Lien Loan Claims, the Second Lien Loan Claims and the Old  
21 Membership Interests are Impaired and will receive Distributions as described herein and in the  
22 Plan.

23                   B.        **Classification and Treatment of Claims and Interests Under the Plan.**

25                   Section 1123 of the Bankruptcy Code provides that a plan must classify the Claims and  
26 Interests of a debtor's Creditors and Interest Holders. Therefore, the Plan divides Claims and  
27 Interests into Classes and sets forth the treatment for each Class (other than Administrative Claims

1 and Priority Tax Claims which, pursuant to section 1123(a)(1) of the Bankruptcy Code, need not be  
 2 and have not been classified). The Backstop Investors are required, under section 1122 of the  
 3 Bankruptcy Code, to classify Claims against and Interests in the Debtor into Classes which contain  
 4 Claims and Interests that are substantially similar to the other Claims and Interests in such Class.

5 A Claim or Interest is placed in a particular Class only to the extent that the Claim or Interest  
 6 falls within the description of that Class and is classified in other Classes to the extent that any  
 7 portion of the Claim or Interest falls within the description of such other Classes. A Claim or  
 8 Interest is also placed in a particular Class for the purpose of receiving Distributions pursuant to the  
 9 Plan only to the extent that such Claim or Interest in that Class is Allowed and has not been paid,  
 10 released or otherwise settled prior to the Effective Date.

12       1.     *Unclassified Claims.*

13       a.     Administrative Claims.

 15 to sections 503(b), 507(a)(2) or 507(b) of the Bankruptcy Code, including: (a) the actual and  
 16 necessary costs and expenses incurred after the Petition Date and through the Effective Date of  
 17 preserving the Estate and operating the businesses of the Debtor (such as wages, salaries, or  
 18 commissions for services, and payments for goods and other services and leased premises);  
 19 (b) compensation for legal, financial advisory, accounting, and other services and reimbursement of  
 20 expenses, including but not limited to, Professional Fees, Allowed pursuant to sections 328, 330(a),

26       As set forth in Section 2.2(a) of the Plan, subject to sections 330(a), 331 and 503(b) of the  
 27 Bankruptcy Code, each Holder of an Allowed Administrative Claim shall either: (i) be paid in Cash  
 28

in the Allowed amount of any such Claim on, or as soon as reasonably practicable after, the later of (a) the Effective Date, (b) the date upon which such Administrative Claim becomes Allowed, or (c) such date as is otherwise agreed by New Borrower and the Holder of such Claim; or (ii) have such Claim assumed by New Borrower, to be paid in Cash in the Allowed amount of any such Claim on, or as soon as reasonably practicable after, the later of (a) the date upon which such Administrative Claim becomes Allowed, (b) the date on which such Administrative Claim becomes due in the ordinary course of business, or (c) such date as is otherwise agreed by the Debtor, New Borrower and the Holder of such Claim. Notwithstanding anything to the contrary in the Plan, the Debtor shall File with the Bankruptcy Court and serve on the United States Trustee a quarterly financial report for each quarter (or portion thereof) that the Chapter 11 Case remains open in such format as reasonably may be required by the United States Trustee.

**b. Priority Tax Claims.**

Priority Tax Claims are any Claims that are entitled to priority under section 502(i) or section 507(a)(8) of the Bankruptcy Code. Priority Tax Claims do not include *ad valorem* tax Claims if such Claims under applicable state law are Secured by a Lien on the Assets. The legal and equitable rights of the Holders of Allowed Priority Tax Claims are unaltered by the Plan. Each Holder of an Allowed Priority Tax Claim shall, subject to Section 2.2(b) of the Plan, either: (i) be paid the Allowed amount of such Claim in Cash on the Effective Date, (ii) have such Claim assumed by New Borrower, to be paid by New Borrower in Cash in the Allowed amount of any such Claim on the date on which such Claim is payable under applicable law or any agreement relating thereto;

1 or (iii) receive such other treatment as is agreed by the Holder of the Allowed Priority Tax Claim,  
 2 the Debtor, the Investors and New Borrower.

3 **2. *Classified Claims.***

4 **a. Class 1 – Priority Claims.**

5 Class 1 consists of Priority Claims against the Debtor which are Allowed Claims entitled to  
 6 priority under sections 502(a)(2) through (7) of the Bankruptcy Code. The legal and equitable  
 7 rights of the Holders of Allowed Priority Claims are unaltered by the Plan. As set forth in Section  
 8 2.3(a) of the Plan, each Holder of an Allowed Priority Claim shall, either: (i) be paid the Allowed  
 9 amount of such Claim in Cash on the Effective Date, (ii) have such Claim assumed by New  
 10 Borrower, to be paid by New Borrower in Cash in the Allowed amount of any such Claim on the  
 11 date on which such Claim is payable under applicable law or any agreement relating thereto; or (iii)  
 12 receive such other treatment as is agreed by the Holder of the Allowed Priority Claim, the Debtor,  
 13 and New Borrower.

14 Class 1 is not Impaired and the Holders of Allowed Priority Claims are conclusively deemed  
 15 to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, the  
 16 Holders of Class 1 are not entitled to vote to accept or reject the Plan.

17 **b. Class 2 – Other Secured Claims.**

18 Class 2 consists of Other Secured Claims against the Debtor. As set forth in Section 2.3(b)  
 19 of the Plan, Holders of Allowed Other Secured Claims shall have such Claim reinstated pursuant to  
 20 section 1124(2) of the Bankruptcy Code and/or assumed by New Borrower such that the Claim is  
 21 rendered unimpaired, except to the extent that the Holder agrees to less favorable treatment. The  
 22 failure of the Debtor or any other party-in-interest (including New Borrower) to File an objection,  
 23 prior to the Effective Date, with respect to any Other Secured Claim that is reinstated under the Plan  
 24 shall be without prejudice to the rights of New Borrower or any other party-in-interest (including  
 25 New Borrower Parent) to contest or otherwise defend against such Claim in an appropriate forum  
 26 (including the Bankruptcy Court, if applicable) when and if such Claim is sought to be enforced.  
 27 Any Cure amount that the Debtor may be required to pay pursuant to section 1124(2) of the  
 28 Bankruptcy Code on account of any such reinstated Other Secured Claim shall be paid on, or as

1 soon as practicable after, the latest of (x) the Effective Date, (y) the date on which such Other  
2 Secured Claim becomes Allowed, or (z) such other date as mutually may be agreed to by and  
3 among such Holder, New Borrower and the Debtor.

4 Class 2 is not Impaired and the Holders of Allowed Other Secured Claims are conclusively  
5 deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore,  
6 the Holders of Class 2 are not entitled to vote to accept or reject the Plan.

**c. Class 3 – First Lien Secured Claims.**

(i) General

9           Class 3 consists of the First Lien Secured Claims against the Debtor which are held by the  
10          First Lien Lenders, and which are Secured by first priority Liens and security interests in all of the  
11          Assets. As set forth in Section 2.3(c) of the Plan, on the Effective Date, each First Lien Lender  
12          shall, in full satisfaction, settlement, release and exchange for Allowed First Lien Secured Claims,  
13          receive: a *Pro Rata* Distribution of (a) Cash in an amount equal to the Paydown Amount, and (b)  
14          interests in the Refinanced Secured Loan evidenced by the Refinanced Secured Note.

15        The Refinanced Secured Note will be secured by the Property, and will take one of the  
16 following two forms, in accordance with Bankruptcy Code section 1129(b), depending on whether  
17 the First Lien Lenders elect under Bankruptcy Code section 1111(b):

- (a) The First Lien Lenders elect under Bankruptcy Code section 1111(b) - a note with a (i) face amount equal to the First Lien Loan Claims (*i.e.* \$270,752,852.35) **minus** the Refinanced Secured Note Deduction, and (ii) net present value equal to the Property Value (*i.e.*, \$188 million), **minus** the Refinanced Secured Note Deduction; or
- (b) The First Lien Lenders do not elect under Bankruptcy Code section 1111(b) - a note with a face amount and with a net present value equal to the Property Value (*i.e.*, \$188 million) **minus** the Refinanced Secured Note Deduction.

23 The form of the Refinanced Secured Note, as amended, is annexed hereto as "**Exhibit "G."**" In  
24 addition, the Investors will enter into, on a joint and several basis, an Interest Payment Guaranty in  
25 connection with the Refinanced Secured Note substantially in the form annexed hereto as **Exhibit**  
26 "**H.**" A form of the Contribution and Indemnity Agreement that will be executed and delivered by  
27 the Investors in connection with the Interest Payment Guaranty is annexed hereto as **Exhibit "I."**

28 In the event the First Lien Lenders make an election under Bankruptcy Code section

1 1111(b), the Refinanced Secured Note, which will have a net present value as described above, will  
 2 provide the First Lien Lenders with a stream of payments equal to the face amount of the  
 3 Refinanced Secured Note. Interest payments made on the Refinanced Secured Note will be credited  
 4 against the face amount of the Refinanced Secured Note (*i.e.*, will retire principal amounts). Class 3  
 5 is Impaired and Holders of Class 3 Claims are entitled to vote to accept or reject the Plan.

6 Notwithstanding anything else contained in the Plan, all Distributions to be made to Holders  
 7 of Allowed Class 3 Claims shall be subject to the terms and conditions of the Co-Lender  
 8 Agreement, which agreement shall remain in full force and effect and shall be unaltered by the Plan.

9 (ii) The 1111(b) Election

10 Pursuant to section 1111(b) of the Bankruptcy Code, a class of undersecured creditors may  
 11 elect to have its entire claim, both the secured and unsecured portion, treated as a secured claim (the  
 12 “Election”). The purpose of the Election is to prevent an undersecured creditor from being deprived  
 13 of any appreciation of its collateral after emergence from chapter 11. Thus, Bankruptcy Code  
 14 section 1111(b) provides undersecured creditors with an option of protecting against a judicial  
 15 and/or cyclical undervaluation of their collateral by having their entire claim treated as secured.

16 When a claim is secured by a lien on property, the present value of which is less than the  
 17 amount of the claim, the claim is undersecured. Bankruptcy Code section 506(a) bifurcates an  
 18 undersecured claim into two components: (i) a secured claim, equal to the value of the property;  
 19 and (ii) an unsecured claim or unsecured deficiency claim for the remainder. Section 1111(b)  
 20 provides undersecured creditors with two choices: (i) keep the bifurcated claims (secured and  
 21 unsecured deficiency); or (ii) elect to have the entire claim treated as secured under section  
 22 1111(b)(2), thus waiving the unsecured deficiency component of its claim.

23 If a creditor class makes an Election, its entire claim, even the unsecured portion, is treated  
 24 as secured and the creditor waives the unsecured deficiency portion of its claim and loses the right  
 25 to vote its unsecured claim. Assuming a reorganized debtor intends to keep the collateral, in order  
 26 to cramdown a secured claim, the plan must provide for the following:

27 

- 28 • the creditor’s liens on the property remain for the full amount of the claim, whether  
 the property is retained by the debtor or sold (post-confirmation);

1                   • a stream of payments to the creditor, adding up to the full claim amount, the present  
 2                   value of which must be equal to the value of the collateral as of the effective date of  
 3                   the plan; and  
 4                   • the creditor's liens attach to the sale proceeds if the property is sold post-  
 5                   confirmation (due on sale for the entire claim amount).

6                   Pursuant to Bankruptcy Rule 3014, the Election must be made by the conclusion of the  
 7                   disclosure statement hearing, or within such later time as prescribed by the court. At least two-  
 8                   thirds in dollar amount and more than half in number of claims of the entire class must vote to make  
 9                   an Election. Once the Election is made, it is binding, usually irrevocably, upon all class members.

10                   d. **Class 4 – Trade Unsecured Claims.**

11                   Class 4 consists of General Unsecured Claims against the Debtor that are not Second Lien  
 12                   Loan Claims or the First Lien Deficiency Claims. Each Holder of an Allowed Trade Unsecured  
 13                   Claim shall, in full satisfaction, settlement, release and exchange for Allowed Trade Unsecured  
 14                   Claims, be paid the Allowed amount of such Claim in Cash without interest on the Effective Date.  
 15                   Class 4 is Impaired and Holders of Class 4 Claims are entitled to vote to accept or reject the Plan.

16                   e. **Class 5 – Non-Trade Unsecured Claims.**

17                   Class 5 consists of Non-Trade Unsecured Claims and are comprised of the Second Lien Loan  
 18                   Claims and, if applicable, the Deficiency Claim. As set forth in Section 2.3(e) of the Plan,  
 19                   assuming Class 5 votes to accept the Plan, each Holder of a Non-Trade Unsecured Claim shall, in  
 20                   full satisfaction, settlement, release and exchange for such Allowed Non-Trade Unsecured Claim be  
 21                   entitled to elect to receive one of the following two treatments: (A) assuming such Holder is an  
 22                   Accredited Investor, the Equity Option consisting of (i) a *Pro Rata* right to participate in the Class 5  
 23                   Purchase Option, (ii) a *pro rata* Distribution of the Equity Grant based on the amount of Allowed  
 24                   Class 5 Claims that elect the Equity Option and (iii) a *Pro Rata* Distribution of the Class 5 Rights;  
 25                   or (B) a *pro rata* sharing of the Cash Option (*i.e.*, \$250,000) based on the amount of Allowed  
 26                   Claims that elect the Cash Option. The Backstop Investors, in their capacity as Second Lien  
 27                   Lenders, shall be deemed to have elected the Equity Option and waived their respective rights to

1 elect to participate in the Cash Option. Notwithstanding, in the event Class 5 does not vote for the  
 2 Plan, each Holder of a Non-Trade Unsecured Claim shall, in full satisfaction, settlement, release  
 3 and exchange for such Allowed Non-Trade Unsecured Claim, be deemed to have elected and shall  
 4 receive its *Pro Rata* share of the Cash Option. Class 5 is Impaired and Holders of Class 5 Claims  
 5 are entitled to vote to accept or reject the Plan.

6 **f. Class 6 – Interests.**

7 Class 6 consists of all Interests held in the Debtor, which class includes any: (a) equity  
 8 security, including all membership interests together with any warrants, options, or contractual  
 9 rights to purchase or acquire such equity securities at any time and all rights arising with respect  
 10 thereto and (b) partnership, limited liability company or similar interest. As set forth in Section  
 11 2.3(f)(ii) of the Plan, the treatment of the Allowed Interests in Class 6 depends on whether Class 6  
 12 votes in favor of the Plan, as follows:

13

- 14 (a) If Class 6 votes to accept the Plan, the Holder of the Old Membership Interests, in full  
 15 satisfaction, settlement, cancellation, release and exchange for the Old Membership  
 16 Interests, shall receive (i) the Class 6 Rights, and (ii) the Class 6 Purchase Option.
- 17 (b) If Class 6 does not vote to accept the Plan, the Holder of the Old Membership Interests,  
 18 in full satisfaction, settlement, cancellation, release and exchange for the Old  
 19 Membership Interest, shall receive the Class 6 Rights.

20 Whether treated under Section 2.3(f)(ii)(A) or (B) of the Plan, upon the Effective Date, the  
 21 Old Membership Interests shall be extinguished and cancelled without further action by the Debtor  
 22 or notice to such Holder being necessary. Class 6 is Impaired and Holders of Class 6 Interests are  
 23 entitled to vote to accept or reject the Plan.

24 **C. Means of Implementation of Plan.**

25 **1. *Plan Implementation.***

26 The Plan shall be implemented in all respects in a manner that is consistent with the terms  
 27 and conditions of the Operative Documents, including the LLC agreements governing New  
 28 Borrower and New Borrower Parent and as described in the Plan and this Disclosure Statement.  
 Forms of the New Borrower LLC Agreement and the New Borrower Parent LLC Agreement are

1 annexed hereto as **Exhibits “J” and “K,”** respectively. In order to implement the Plan, the  
 2 Investors will invest the Initial Capital Contribution of \$20 million in New Borrower Parent to be  
 3 paid to New Borrower in exchange for the New Borrower Interest. The Initial Capital Contribution  
 4 will be used for the (i) Paydown Amount (\$10 million), (ii) Interest/TI Reserve (\$8 million) and (iii)  
 5 CapEx Reserve (\$2 million).

6 The New Borrower Parent Units will be owned 88% by the Backstop Investors and the New  
 7 Property Manager (in an amount determined by the Backstop Investors), and 12% by the Non-Trade  
 8 Unsecured Creditors subject to the following: (1) 10% of the New Borrower Parent Units will be  
 9 offered for sale to the Holder of the Old Membership Interests in the form of the Class 6 Purchase  
 10 Option; and (2) 78% of the New Borrower Parent Units will be offered for sale to the Non-Trade  
 11 Unsecured Creditors in the form of the Class 5 Purchase Option. The Private Offering  
 12 Memorandum, Subscription Agreement and the New Borrower Parent UPA, substantially in the  
 13 forms that will describe and be used to implement the sale and allocation of the New Borrower  
 14 Parent Units are annexed hereto as **Exhibits “L,” “M” and “N,”** respectively. In addition the  
 15 Rights will be issued (a) assuming Class 5 votes to accept the Plan, to the Holders of Allowed  
 16 Claims in Class 5 that are Accredited Investors that elect the Equity Option and (b) to the Holder of  
 17 the Old Membership Interests in Class 6, to the extent the Holder is an Accredited Investor. The  
 18 Class 5 Rights Agreement and the Class 6 Rights Agreement, substantially in the form that will be  
 19 used to issue and allocate the Rights, are annexed hereto as **Exhibits “O” and “P,”** respectively.

20 The Backstop Investors are in the process of selecting the New Property Manager from two  
 21 (2) nationally recognized property managers and have begun setting a framework for the New  
 22 Property Manager Agreement, under which the New Property Manager will manage the Property  
 23 after the Effective Date. The Backstop Investors will be filing a form of the New Property  
 24 Management Agreement as an exhibit to the Plan Supplement.

25 **2. Merger.**

26 On the Effective Date, New Borrower shall merge with and be the successor by merger to  
 27 the Debtor, and the Certificate of Merger shall be filed in Nevada (including, to the extent  
 28 necessary, the real property records of Clark County, Nevada) and Delaware on the Effective Date.

1 Simultaneously therewith, the Mortgage, as amended and restated, shall be recorded in Clark  
 2 County, Nevada. The form of Mortgage is annexed hereto as **Exhibit "R."** The Debtor and New  
 3 Borrower shall have all the power to take all actions necessary to effectuate and consummate the  
 4 transaction contemplated by the Plan under applicable state laws in addition to all the rights, powers  
 5 and responsibilities conferred by the Bankruptcy Code, the Plan and any Final Orders of the  
 6 Bankruptcy Court. Except as expressly agreed to otherwise by the Debtor and New Borrower or as  
 7 provided in the Plan or the New Secured Loan Documents, the Assets will vest in New Borrower  
 8 free and clear of all Liens (except for the Mortgage and any Liens for *ad valorem* taxes not yet due  
 9 and payable and Permitted Encumbrances) and Claims (other than Claims which have been assumed  
 10 by New Borrower), but subject to easements, restrictions, conditions and limitations of record that  
 11 affect the title to the Property as of the Petition Date, any Liens securing Other Secured Claims that  
 12 are reinstated or assumed by New Borrower, and any such matters arising after the Petition Date  
 13 which have been approved by First Lien Agent and New Borrower. The Confirmation Order shall,  
 14 among other things, constitute an Order authorizing the Debtor to execute and deliver the Operative  
 15 Documents (to the extent they have not already been executed and delivered) and the vesting of all  
 16 of the Estate's interests in the Assets in New Borrower without requiring any further corporate  
 17 authorizations and notwithstanding the requirements otherwise applicable under any applicable non-  
 18 bankruptcy law. The Confirmation Order shall, among other things, provide that: (i) New Borrower  
 19 and the Investors have acted in good faith in consummation of the Plan and the Debtor's  
 20 reorganization; and (ii) the Mortgage constitutes a valid first priority Lien, subject only to any  
 21 Permitted Encumbrances.

22 **3. Assumption of Liabilities.**

23 On the Effective Date, unless such Claims shall be paid on or prior to such date, New  
 24 Borrower shall be deemed to have assumed any Claim that is an Administrative Claim, a Priority  
 25 Tax Claim or a Priority Claim (including any such Claims that are Disputed Claims or with respect  
 26 to which any applicable period for asserting a Claim has not expired), and all Other Secured Claims  
 27 will be reinstated and assumed by New Borrower pursuant to and in accordance with the terms of  
 28 the Plan. New Borrower shall be obligated to honor and satisfy all such assumed or reinstated

1 Claims solely if and to the extent such Claims are Allowed Claims or become Allowed Claims. The  
 2 failure of the Debtor, New Borrower or any other party-in-interest (including New Borrower Parent)  
 3 to File an objection, prior to the Effective Date, with respect to any Other Secured Claim that is  
 4 reinstated under the Plan or with respect to any Claims that are assumed by New Borrower under  
 5 the Plan, shall be without prejudice to the rights of New Borrower or any other party-in-interest to  
 6 contest or otherwise defend against such Claim in an appropriate forum (including the Bankruptcy  
 7 Court, if applicable) when and if such Claim is sought to be enforced. Except as set forth in the  
 8 Operative Documents and the Plan, New Borrower shall have no liability for Claims against or  
 9 Interests in the Debtor (whether or not currently known) stemming from the Debtor's reorganization  
 10 or its merger with New Borrower, unless such Claims have expressly been assumed pursuant to the  
 11 terms of the Plan.

12           **4. *Cancellation of Interests.***

13           On the Effective Date, the Debtor's membership interests (the Old Membership Interests)  
 14 shall be cancelled and be of no further force or effect, without any further action being required to  
 15 effect such cancellation. Following the cancellation of the Old Membership Interests, the Holder of  
 16 such Interests shall have no rights arising from or relating to such Interests or the cancellation  
 17 thereof unless as otherwise set forth in the Plan.

18           **a. Discharge and Injunction.**

19           (i)    **Discharge of the Debtor**

20           Except as provided in the Plan or Confirmation Order, the rights afforded under the Plan and  
 21 the treatment of Claims and Interests under the Plan are in exchange for and in complete  
 22 satisfaction, discharge, and release of, all Claims and Interests. Except as provided in the  
 23 Confirmation Order, Confirmation discharges the Debtor and/or New Borrower from all Claims or  
 24 Interests, or other debts that arose before the Effective Date, and all debts of the kind specified in  
 25 Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not: (a) a proof of claim  
 26 based on such debt is filed or deemed to be filed under Section 501 of the Bankruptcy Code; (b) a  
 27 Claim based on such debt is Allowed under Section 502 of the Bankruptcy Code; or (c) the holder  
 28 of a Claim based on such debt has accepted the Plan.

(ii) Injunction

Except as otherwise provided in the Plan or the Confirmation Order, on and after the Effective Date all Entities and Persons that have held, currently hold or may hold a debt, Claim, other liability or Interest against or in the Debtor that would be discharged upon Confirmation of this Plan on the Effective Date but for the provisions of section 1141(d)(3) of the Bankruptcy Code are permanently enjoined from taking any of the following actions on account of such debt, Claim, liability, Interest or right: (i) commencing or continuing in any manner any action or other proceeding on account of such debt, Claim, liability, Interest or right against Assets or proceeds thereof that are to be distributed under the Plan, other than to enforce any right to a Distribution with respect to such Assets or the proceeds thereof as provided under the Plan; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order against any Assets retained by New Borrower or distributed to Holders of Claims under the Plan, other than as permitted under subparagraph (i) above; and (iii) creating, perfecting or enforcing any Lien or encumbrance against any Assets retained by New Borrower or distributed under this Plan, other than as permitted by the Plan.

On and after the Effective Date, each Holder of any Claim against or Interest in the Debtor is permanently enjoined from taking or participating in *any* action that would interfere or otherwise hinder the Debtor from implementing the Plan, the Confirmation Order or any Operative Documents in accordance with the terms thereof.

## **5. Exemption From Certain Transfer Taxes and Further Transactions.**

As such, the New Borrower Interests and the New Borrower Parent Units issued in connection with the Plan are exempt under section 1146(a) of the Bankruptcy Code.

1                   **6.        *Final Decree.***

2                   Notwithstanding otherwise applicable law, the Debtor shall not request entry of the Final  
 3 Decree, unless such provision(s) are waived by the Backstop Investors in their sole and exclusive  
 4 discretion, until:

5                   (a)       All adversary proceedings and contested matters pending before the  
 6 Bankruptcy Court have been resolved by a Final Order;

 10 the Plan; or (iii) been assumed by New Borrower or reinstated;

 12 shall have been made by the Distribution Agent in accordance with the requirements of the Plan;  
 13 and

14                  (d)       The Total Capital Contribution has been disbursed to New Borrower to be  
 15 distributed in accordance with the Plan and the New Borrower Interests, the New Borrower Parent

 24 for those expressly required pursuant to the Plan.

25                   **8.        *Adequate Protection Liens.***

26                   As of the Effective Date, any adequate protection replacement liens granted pursuant to the

8      Disputed General Unsecured Claims requiring adjudication and resolution and such Claims have  
9      not become Allowed or Disallowed prior to the Effective Date, the obligation to satisfy such Claims  
10     will be assumed by New Borrower, subject to Allowance or Disallowance by the Bankruptcy Court.  
11     Except as otherwise provided in the Plan, a Final Order, or as agreed to by New Borrower Parent,  
12     any Disputed Administrative Claim or Disputed Priority Claim that becomes Allowed after the  
13     Effective Date shall be satisfied or performed by New Borrower in the ordinary course of business

18     the relevant parties: (i) partial payments/Distributions shall not be made with respect to a Disputed  
19     Claim until all such disputes in connection with such Disputed Claim have been resolved by  
20     settlement or Final Order; and (ii) any Entity that holds both an Allowed Claim and a Disputed  
21     Claim shall not receive any Distribution on the Allowed Claim unless and until all objections to the

25     made, at the discretion of the Distribution Agent, by check drawn on the Distribution Agent's bank

28     Any other provision of the Plan to the contrary notwithstanding, no payments of cents will

1 be made. Whenever any payment of cents would otherwise be called for, the actual payment may  
 2 reflect a rounding of such fraction to the nearest whole dollar (up or down).

3 **5. *Escheat.***

4 Holders of Allowed Claims shall have three (3) months from the check date to negotiate  
 5 Distribution checks issued by the Distribution Agent under the terms of the Plan, otherwise payment  
 6 on such checks may at the Distribution Agent's sole discretion be stopped and the funds shall

 8 with section 347 of the Bankruptcy Code.

9 **6. *Delivery of Distributions.***

10 **a. Record Date for Distributions.**

11 On the Distribution Record Date, the Claims Register shall be closed and any party  
 12 responsible for making Distributions shall be authorized and entitled to recognize only those record  
 13 Holders listed on the Claims Register as of the close of business on the Distribution Record Date.  
 14 Notwithstanding the foregoing, if a Claim is transferred twenty (20) or fewer days before the  
 15 Distribution Record Date, the Distribution Agent shall make Distributions to the transferee only to  
 16 the extent practical and in any event only if the relevant transfer form contains an unconditional and  
 17 explicit certification and waiver of any objection to the transfer by the transferor.

18 **b. Distribution Agent.**

19 The Distribution Agent shall make all Distributions required under the Plan.

20 **c. Delivery of Distributions in General.**

21 Except as otherwise provided in the Plan, and notwithstanding any authority to the contrary,

 24 Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (b) to the signatory set  
 25 forth on any of the Proofs of Claim Filed by such Holder or other representative identified therein  
 26 (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtor has  
 27 been notified in writing of a change of address); (c) at the addresses set forth in any written notices  
 28 of address changes delivered to the Distribution Agent after the date of any related Proof of Claim;

1 (d) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the  
 2 Distribution Agent has not received a written notice of a change of address; or (e) on any counsel  
 3 that has appeared in the Chapter 11 Case on the Holder's behalf, *provided, however,* that  
 4 Distributions to First Lien Lenders shall be made to First Lien Agent for the benefit of First Lien

 8 manner set forth in the Plan. Absent willful misconduct or gross negligence, the Debtor, New  
 9 Borrower, New Borrower Parent, the Investors, the Distribution Agent, and their respective  
 10 members, officers, agents and professionals, as applicable, shall not incur any liability on account of  
 11 any Distributions made under the Plan.

12       **7. *Returned Distributions.***

13       In the case of Distributions to the Holders of Allowed Claims that are returned to the  
 14 Distribution Agent due to an incorrect or incomplete address, the Distribution Agent shall retain any  
 15 such returned Distribution in a segregated account established by the Distribution Agent to keep  
 16 track of any returned Distributions. Unless the Holder of the Allowed Claim relating to any such  
 17 returned Distribution contacts the Distribution Agent (or its designee) within three (3) months from  
 18 the date on which such Distribution was returned and provides the Distribution Agent (or its  
 19 designee) with acceptable proof of identity and an accurate address, such Holder shall forfeit all  
 20 rights thereto, and to any and all future Distributions or rights under the Plan. In such event, the

 22 Distribution on account of such Disallowed Claim shall promptly be distributed to New Borrower.

23       **8. *Disputed Distributions.***

24       Subject to Section 6.9 of the Plan, in the event of any dispute between or among Holders of  
 25 Claims as to the right to any Holder of a Claim to receive or retain any Distribution to be made to  
 26 such Holder under the Plan, the Distribution Agent, in lieu of making such Distribution to such  
 27 Holder, may make it instead into an escrow account for payment as ordered by the Bankruptcy  
 28 Court or as the interested parties to such dispute may otherwise agree among themselves.

1 Any such Holder who fails to raise such dispute by filing an appropriate request for relief  
 2 with the Bankruptcy Court prior to the issuance of such disputed Distribution by the Distribution  
 3 Agent shall be deemed to have forever waived any right to dispute such Distribution or to enjoin,  
 4 impair or otherwise restrict the use of any such Distribution.

5 **9. *Setoffs.***

6 The Distribution Agent may, but shall not be required to, set-off against any Distributions to  
 7 be made pursuant to the Plan to a Holder of an Allowed Claim, Claims of any nature whatsoever  
 8 that the Debtor may have, or may have had, against such Holder that have not been previously  
 9 released, but neither the failure to do so, nor the allowance of any Claim held by such Holder shall  
 10 constitute a waiver or release by the Distribution Agent of any such Claim, the Debtor or New  
 11 Borrower may have, or may have had, against such Holder.

12 **10. *Withholding Taxes.***

13 The Distribution Agent shall be entitled to deduct any applicable federal or state withholding  
 14 taxes from any payments made with respect to Allowed Claims, as appropriate, and shall otherwise  
 15 comply with section 346 of the Bankruptcy Code.

16 **11. *Allocation of Distributions.***

17 Distributions on account of Allowed Claims shall, for tax purposes, be treated as allocated  
 18 first to principal, and thereafter to interest only to the extent that the entire principal amount has

24 **2. *Rights If Plan Not Confirmed.***

25 If Confirmation of the Plan does not occur, the Plan shall be deemed null and void and, in  
 26 such event, nothing contained in the Plan shall be deemed to constitute a waiver or release of any  
 27 Claims by or against the Debtor or any other Person or Entity or to prejudice in any manner the  
 28 rights of the Debtor or any Person or Entity in any further proceedings involving the Debtor.

1           **3.       Term of Bankruptcy Injunction or Stays.**

3       Any of the Assumed Contracts that are, or may be, alleged to be in default, shall be Cured  
 4 either in the ordinary course of business or on the Effective Date. Except with respect to Assumed  
 5 Contracts with respect to which the Debtor or New Borrower and the applicable counterparties have  
 6 stipulated in writing the appropriate Cure, all requests of Cure that differ from the amounts and  
 7 treatment proposed by the Debtor or New Borrower must be Filed with the Bankruptcy Court on or  
 8 before the Cure Bar Date. Any request for payment or other Cure that is not timely Filed shall be

 28 the Cure or any request for adequate assurance of future performance required to assume such

1 executory contract or unexpired lease.

 21 New Borrower or any of the Assets. Nothing in Section 7.4 of the Plan shall affect the right of any  
 22 party-in-interest to object to any Claim which has been improperly Filed or not Filed on a timely  
 23 basis.

24 ***4. Modifications, Amendments, Supplements, Restatements, or Other Agreements.***

25 Unless otherwise provided in the Plan Supplement, each Assumed Contract that is assumed

 9 anything contained in the Plan, shall constitute an admission by the Debtor, New Borrower or the  
 10 Investors that any such contract or lease is in fact an executory contract or unexpired lease or that  
 11 the Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is  
 12 or was executory or unexpired at the time of assumption or rejection, New Borrower shall have  
 13 thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of  
 14 such contract or lease.

 6 Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to section 502(c) of the  
 7 Bankruptcy Code, regardless of whether the Debtor previously had objected to such Claim or  
 8 whether the Bankruptcy Court had ruled on such objection, and the Bankruptcy Court shall retain  
 9 jurisdiction to estimate any Claim at any time during any litigation concerning any objection to such  
 10 Claim, including during the pendency of any appeal relating to such objection. In the event that the  
 11 Bankruptcy Court estimates any contingent or unliquidated Claim, the amount so estimated shall  
 12 constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as  
 13 determined by the Bankruptcy Court. If such estimated amount constitutes a maximum limitation  
 14 on the amount of such Claim, the Debtor or New Borrower may elect to pursue any supplemental  
 15 proceedings to object to the allowance of such Claim.

21 **2. *Jurisdiction Unaffected.***

16 **1. *Conditions to Occurrence of Effective Date.***

21 any other address for purposes of Section 13.2 of the Plan, which designation shall be effective  
22 upon receipt.

23 **3. *Limitation of Notice.***

24 The Backstop Investors shall give the following notice with regard to the following matters,  
25 which notice shall be deemed to be good and sufficient notice of such matters, with no requirement  
26 for any additional or further notice:  
27

1                   **a.        Notice of Entry of Confirmation Order.**

2                   Notice of the entry of the Confirmation Order shall be sufficient if mailed to all known  
3                   Holders of Claims (which have not become Disallowed Claims) and Interests within five (5)  
4                   Business Days of the entry of Confirmation Order.

5                   **b.        Post-Confirmation Date Service List — Additional**  
6                   **Persons Entitled to Notice.**

7                   Except as set forth in Section 13.2 of the Plan, from and after the date the Confirmation  
8                   Order becomes a Final Order, notices of appearances and demands for service of process Filed with  
9                   the Bankruptcy Court prior to such date shall no longer be effective, and no further notices, other  
10                  than Notice of Confirmation Order, shall be required to be sent to such parties, unless such parties  
11                  File a new notice of appearance and demand for service of process dated subsequent to the Effective  
12                  Date, which subsequent notice and demand must be Filed with the Bankruptcy Court and served  
13                  upon the Persons and Entities listed in Section 13.2 of the Plan.

14                  **4.        *Requisite First Lien Lenders' Approval.***

15                  Where First Lien Lender approval is referred to anywhere in the Plan, the Person or Entity  
16                  seeking such First Lien Lender approval shall be entitled to direct the request for approval solely to  
17                  First Lien Agent, which shall then be responsible for determining whether or not such approval has  
18                  or has not been obtained.

19                  **5.        *Headings.***

20                  The headings used in the Plan are inserted for convenience only and neither constitute a  
21                  portion of the Plan nor in any manner affect the provisions of the Plan.

22                  **6.        *Exhibits.***

23                  All exhibits and documents included in the Plan Supplement are incorporated into and are  
24                  made a part of the Plan as if set forth in full in the Plan. Except as otherwise provided in the Plan,  
25                  such exhibits and documents included in the Plan Supplement shall be Filed with the Bankruptcy  
26                  Court on or before the Plan Supplement Filing Date. After the exhibits and documents are Filed,  
27                  copies of such exhibits and documents shall have been available upon written request to the  
28                  Backstop Investors' counsel at the address above or by downloading such exhibits and documents

1 from the Bankruptcy Court's website at <http://www.nvb.uscourts.gov>. To the extent any exhibit or  
 2 document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy  
 3 Court, the non-exhibit or non-document portion of the Plan shall control.

4       **7. *Nonseverability of Plan Provisions.***

5       If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court  
 6 to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power, at the request of  
 7 the Investors and subject to the consent of any party adversely affected thereby, to alter and  
 8 interpret such term or provision to make it valid or enforceable to the maximum extent practicable,  
 9 consistent with the original purpose of the term or provision held to be invalid, void, or  
 10 unenforceable, and such term or provision shall then be applicable as altered or interpreted.  
 11 Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and  
 12 provisions of the Plan will remain in full force and effect and will in no way be affected, Impaired,  
 13 or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall  
 14 constitute a judicial determination and shall provide that each term and provision of the Plan, as it  
 15 may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable  
 16 pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the  
 17 consent of the Debtor and any other Person or Entity affected by such provision; and (3)  
 18 nonseverable and mutually dependent.

19       **8. *Waiver or Estoppel.***

20       Each Holder of a Claim or an Interest shall be deemed to have waived any right to assert any  
 21 argument, including the right to argue that its Claim or Interest should be Allowed in a certain  
 22 amount, in a certain priority, Secured or not subordinated by virtue of an agreement made with the  
 23 Debtor or its counsel, or any other Entity, if such agreement was not disclosed in the Plan, the  
 24 Disclosure Statement, or papers Filed with the Bankruptcy Court prior to the Confirmation Date.

25       **9. *Conflicts.***

26       Except as set forth in the Plan, to the extent that any provision of this Disclosure Statement,  
 27 the Plan Supplement, or any other order (other than the Confirmation Order) referenced in the Plan  
 28 (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing),

1 conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and  
 2 control.

3 **10. *Computation of Time.***

4 In computing any period of time prescribed or allowed by the Plan, the provisions of  
 5 Bankruptcy Rule 9006(a) shall apply.

6 **11. *Governing Law.***

7 Except to the extent that the Bankruptcy Code or any other Federal law is applicable, the  
 8 rights and obligations arising under the Plan shall be governed by, and construed and enforced in  
 9 accordance with, the laws of the State of Nevada.

10 **12. *Successors and Assigns.***

11 The rights and obligations of any Person or Entity named or referred to in the Plan shall be  
 12 binding upon, and shall inure to the benefit of, the successors and assigns of such Person or Entity.

13 **13. *Withdrawal or Modification of Plan and Plan Documents.***

14 The Backstop Investors reserve the right at any time to revoke or withdraw the Plan prior to  
 15 the Confirmation Date or to file subsequent plans of reorganization. If the Investors revoke or  
 16 withdraw the Plan, or if Confirmation does not occur: (1) the Plan shall be null and void in all  
 17 respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to  
 18 an amount certain of any Claim or Class of Claims), assumption or rejection of executory contracts  
 19 or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the  
 20 Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a  
 21 waiver or release of any Claims or Interests relating to the Debtor; (b) prejudice in any manner the  
 22 rights of the Investors or any other Entity; or (c) constitute an admission, acknowledgement, offer,  
 23 or undertaking of any sort by the Investors or any other Entity.

24 In addition, the Backstop Investors reserve all of their rights to amend or modify the Plan,  
 25 the Disclosure Statement or any of the documents, including the Operative Documents, that may be  
 26 annexed to the Disclosure Statement. Such amended documents will be filed with the Bankruptcy  
 27 Court, as promptly as possible including as exhibits to the Plan Supplement.

1           **14. *Other Agreements.***2           Nothing contained herein or in the Plan shall alter, limit or otherwise affect the rights and  
3           obligations of any party to the Operative Documents pursuant to the terms thereof.4           **ARTICLE V.**5           **CERTAIN RISK FACTORS TO BE CONSIDERED**6           Parties-in-interest should read and carefully consider the following factors, as well as the  
7           other information set forth in this Disclosure Statement (and the documents delivered together  
8           herewith and/or incorporated by reference herein), before deciding whether to vote to accept or to  
9           reject the Plan.10           **A. Failure to Confirm the Plan.**11           If the Plan is not confirmed and consummated, there can be no assurance that the Chapter 11  
12           Case will continue rather than be converted to chapter 7 liquidation. In fact, the Backstop Investors  
13           believe that absent confirmation of the Plan, the likely result will be a foreclosure sale and/or  
14           piecemeal liquidation of the Assets. If that were to occur, Holders of Claims and Interests would  
15           likely receive a fraction of what they would receive under this Plan, if anything.16           **B. Potential Adverse Effects of Chapter 11.**17           While the Backstop Investors will seek to effectuate the Plan as quickly as possible so as to  
18           minimize any potential disruption to the Debtor's business operations and goodwill, it is possible  
19           that despite the belief and intent of the Backstop Investors, the Chapter 11 Case could be delayed  
20           and such delay can materially adversely affect relationships among the Debtor (and its successor  
21           New Borrower) and its Creditors, tenants and employees.22           **C. Risks Associated.**

23           There are several risks which include, but are not limited to, the following:

24           1.       One or more Investors fails to perform its obligations under the New  
25           Borrower Parent UPA.26           2.       One or more parties-in-interest may commence litigation to challenge the  
27           propriety of the Plan and the transactions contemplated therein.

28           3.       The costs, expenses and Distributions that will be required to be paid under

1 the Plan exceed in a material respect the amounts presently contemplated by the Backstop Investors  
 2 to be paid under the Plan. Affecting factors include, but are not limited to, (i) changed economic  
 3 components and terms of the Refinanced Secured Note, (ii) the Allowed amount of Trade  
 4 Unsecured Claims exceeds \$375,000, and (iii) significant Administrative Claims.

5         4.         The economic conditions may worsen. The financial crisis and global  
 6 recession has resulted in a significant decline in the amount of tourism and discretionary consumer  
 7 spending in Las Vegas. The tenants in the Property are primarily retailers and, as such, are heavily  
 8 reliant on tourism and discretionary consumer spending in Las Vegas. The Property's commercial  
 9 leasing activities could be adversely affected because of the failure to maintain high tenant  
 10 occupancy rates amid these market conditions. In addition, Las Vegas may experience a prolonged  
 11 decline in the development of new hotels and other entertainment venues, which could adversely  
 12 affect any potential redevelopment of the Property.

13             *See the Private Offering Memorandum for additional risk factors associated with electing  
 14 the Equity Option or the Class 6 Purchase Option and making an investment in the New  
 15 Borrower Parent Units.*

## 16                     ARTICLE VI.

### 17                     CONFIRMATION OF THE PLAN

18         The Bankruptcy Court may confirm the Plan only if it determines that the Plan complies  
 19 with the technical requirements of Chapter 11, including, among other things, that (a) the Plan  
 20 properly classifies Claims and Interests, (b) the Plan complies with applicable provisions of the  
 21 Bankruptcy Code, (c) the Backstop Investors have complied with applicable provisions of the  
 22 Bankruptcy Code, (d) the Backstop Investors have proposed the Plan in good faith and not by any  
 23 means forbidden by law, (e) disclosure of "adequate information" as required by section 1125 of the  
 24 Bankruptcy Code has been made, (f) the Plan has been accepted by the requisite votes of Creditors  
 25 (except to the extent that "cramdown" is available under section 1129(b) of the Bankruptcy Code),  
 26 (g) the Plan is in the "best interests" of all Holders of Claims or Interests in each Impaired Class,  
 27 and (h) all fees and expenses payable under 28 U.S.C. § 1930, as determined by the Bankruptcy  
 28 Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of such

1 fees on the Effective Date.

2 ***To the extent required, the Backstop Investors reserve the right to proceed to confirmation  
3 of the Plan through the use of cramdown pursuant to section 1129(b) of the Bankruptcy Code.***

4 **A. Voting Requirements.**

5 Under the Bankruptcy Code, only Classes of Claims and Interests that are “Impaired” (as  
6 that term is defined in section 1124 of the Bankruptcy Code) under the Plan are entitled to vote to  
7 accept or reject the Plan. A Class is Impaired if the Plan modifies the legal, equitable or contractual  
8 rights of Holders of Claims or Interests in the Class (other than by curing defaults and reinstating  
9 debt). Under section 1126(f) of the Bankruptcy Code, Classes of Claims and Interests that are  
10 unimpaired are conclusively presumed to have accepted the Plan and are not entitled to vote on the  
11 Plan. Under section 1126(g) of the Bankruptcy Code, Classes of Claims and Interests whose  
12 Holders will not receive or retain any property under the Plan are deemed to have rejected the Plan  
13 and are not entitled to vote on the Plan. An Impaired Class of Claims will have accepted the Plan if  
14 (a) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of  
15 at least two-thirds in amount of the Allowed Claims actually voting in such Class have voted to  
16 accept the Plan and (b) the Holders (other than any Holder designated under section 1126(e) of the  
17 Bankruptcy Code) of more than one-half in number of the Allowed Claims actually voting in such  
18 Class have voted to accept the Plan. As noted above, there are five (5) Classes of Claims in the  
19 Plan and one (1) Class of Interests. The classes of Claims and Interests that are Impaired and  
20 entitled to vote to accept or reject the Plan is Class 3 (First Lien Loan Claims), Class 4 (Trade  
21 Unsecured Claims), Class 5 (Non-Trade Unsecured Claims) and Class 6 (Old Membership  
22 Interests). All other Classes are either not Impaired or are deemed to have accepted the Plan, and  
23 their votes will not be solicited.

24 A Ballot to be used to vote on the Plan will be enclosed with the Motion to Approve  
25 Disclosure Statement and Solicitation Procedures and will be separately mailed to Holders of Class  
26 3, Class 4, and Class 5 Claims and Class 6 Interests.

27 As set forth in the Motion to Approve Disclosure Statement and Solicitation Procedures, the  
28 Backstop Investors will send Holders of Claims whose Claims or Interests are subject to an

1 objection on the Record Date a *Notice of Non-Voting Status with Respect to Disputed Claims* (the  
 2 “Disputed Claim/Interest Notice”). The Disputed Claim Notice will inform relevant Holders that  
 3 their respective Claim or Interest is subject to an objection, and that the Holder of such Claim or  
 4 Interest cannot vote any disputed portion of its Claim or Interest unless one or more of the following  
 5 events have taken place at least five (5) business days before the Voting Deadline: (i) an order of  
 6 the Bankruptcy Court is entered allowing such Claim or Interest pursuant to section 502(b) of the  
 7 Bankruptcy Code, after notice and a hearing; (ii) an order of the Bankruptcy Court is entered  
 8 temporarily allowing such Claim or Interest for voting purposes only pursuant to Bankruptcy Rule  
 9 3018(a), after notice and a hearing; (iii) an order of the Bankruptcy Court is entered approving a  
 10 stipulation or other agreement by the Holder of such Claim or Interest and the Debtor, with the  
 11 consent of the Backstop Investors, resolving the objection and allowing such Claim or Interest in an  
 12 agreed upon amount; (iv) a stipulation or other agreement is executed by the Holder of such Claim  
 13 or Interest with the Debtor, with the consent of the Backstop Investors, temporarily allowing the  
 14 Holder of such Claim or Interest to vote in an agreed upon amount; or (v) the pending objection to  
 15 such Claim or Interest is voluntarily withdrawn by the objecting party (each, a “Resolution Event”).  
 16 No later than two (2) business days after a Resolution Event, counsel for the Backstop Investors  
 17 shall distribute a Solicitation Package and a pre-addressed, postage pre-paid envelope to the  
 18 relevant Holder of such temporarily allowed Claim or Interest that has been allowed for voting  
 19 purposes only by such Resolution Event, which must be returned according to the instructions on  
 20 the Ballot by no later than the Voting Deadline.

21       However, if the Holder of a Claim or Interest receives a Solicitation Package, but the  
 22 Backstop Investors or the Debtor object to such Claim or Interest after the Record Date but before  
 23 fifteen (15) days prior to the Confirmation Hearing, the notice of objection will inform such Holder  
 24 of the rules applicable to Claims or Interests subject to a pending objection, and the procedures for  
 25 temporary allowance for voting purposes. Furthermore, if the Holder of a Claim or Interest receives  
 26 a Solicitation Package (as defined in the Motion to Approve Disclosure Statement and Solicitation  
 27 Procedures), but the Backstop Investors object to such Claim or Interest after fifteen (15) days prior  
 28 to the Confirmation Hearing, the Holder’s Claim shall be deemed temporarily allowed for voting

1 purposes only without further action by the Holder of such Claim or Interest and without further  
 2 order of the Bankruptcy Court.

3       In addition, Holders of Claims in certain Classes may have asserted, in their respective  
 4 Proofs of Claim, Claims for interest accrued after the Petition Date. The Backstop Investors do not  
 5 necessarily agree that post-petition interest should be allowed on such Claims and may object to any  
 6 such portions of these Claims. The Backstop Investors thus propose that Holders of Claims only be  
 7 entitled to vote the portion of their Claims that does not include any interest accrued after the  
 8 Petition Date. However, to the extent the Backstop Investors object to the post-petition interest  
 9 asserted on account of a particular Claim, the Backstop Investors propose that the Holder of such  
 10 Claim would be allowed to vote the principal amount of its Claim without a Resolution Event.

11 **B. Voting on the Plan.**

12       AS SET FORTH IN THE MOTION FOR APPROVAL OF DISCLOSURE STATEMENT  
 13 AND SOLICITATION PROCEDURES, THE PERIOD DURING WHICH BALLOTS WITH  
 14 RESPECT TO THE PLAN WILL BE ACCEPTED BY THE BACKSTOP INVESTORS WILL  
 15 TERMINATE AT 5:00 P.M. PACIFIC DAYLIGHT TIME, ON \_\_\_\_\_, 2010 (THE “VOTING  
 16 DEADLINE”), UNLESS THE VOTING DEADLINE IS EXTENDED PURSUANT TO A  
 17 LETTER SENT BY THE BACKSTOP INVESTORS TO THE HOLDERS OF CLAIMS AND  
 18 INTERESTS ENTITLED TO VOTE, IN WHICH EVENT SUCH SOLICITATION PERIOD  
 19 WILL TERMINATE AT SUCH EXTENDED TIME AND DATE. EXCEPT TO THE EXTENT  
 20 THE BACKSTOP INVESTORS SO DETERMINE, AS PERMITTED BY THE BANKRUPTCY  
 21 COURT, BALLOTS THAT ARE RECEIVED AFTER THE VOTING DEADLINE WILL NOT  
 22 BE ACCEPTED OR USED BY THE BACKSTOP INVESTORS IN CONNECTION WITH THE  
 23 BACKSTOP INVESTORS’ REQUEST FOR CONFIRMATION OF THE PLAN (OR ANY  
 24 PERMITTED MODIFICATION THEREOF).

25       TO BE COUNTED, YOUR BALLOT MUST BE COMPLETELY FILLED IN, SIGNED,  
 26 AND TRANSMITTED IN THE MANNER SPECIFIED IN THE MOTION FOR APPROVAL OF  
 27 DISCLOSURE STATEMENT AND SOLICITATION PROCEDURES SO THAT IT IS  
 28 RECEIVED BY THE VOTING DEADLINE. PLEASE FOLLOW CAREFULLY ALL

1 INSTRUCTIONS CONTAINED IN THE MOTION FOR APPROVAL OF DISCLOSURE  
 2 STATEMENT AND SOLICITATION PROCEDURES. ANY BALLOTS RECEIVED WHICH  
 3 DO NOT INDICATE EITHER AN ACCEPTANCE OR REJECTION OF THE PLAN WILL NOT  
 4 BE COUNTED.

5 If you have any questions about the procedure for voting, or if you did not receive a Ballot,  
 6 received a damaged Ballot, or have lost your Ballot, or if you would like any additional copies of  
 7 this Disclosure Statement, please contact Haynes and Boone, LLP, Attention: Jonathan Hook, Esq.,

15 Consistent with the provisions of Bankruptcy Rule 3018, the Backstop Investors have fixed  
 16 the voting Record Date -- the time and date for the determination of Holders of record of Claims  
 17 who are entitled to vote on the Plan -- as 5:00 P.M., Pacific Daylight Time, on \_\_\_\_\_, 2010.

18 **C. Confirmation Requirements.**

19 **1. *Acceptance by Impaired Classes.***

20 The Backstop Investors intend to count all validly executed Ballots received prior to the  
 21 Voting Deadline for purposes of determining whether each Impaired voting Class has accepted or  
 22 rejected the Plan, pursuant to the Bankruptcy Code and the procedures set forth in the Motion for  
 23 Approval of Disclosure Statement and Solicitation Procedures. Bankruptcy Rule 3018(b) prescribes  
 24 the conditions that must be satisfied in order to count the ballots cast with respect to a plan prior to  
 25 the commencement of a Chapter 11 case. The rule requires that for the ballot of a Creditor to count  
 26 (i) such Chapter 11 plan and a disclosure statement must be distributed to substantially all Creditors  
 27 of the same Class, (ii) the time prescribed for voting on such a plan must not be unreasonably short  
 28 and (iii) the solicitation must be conducted in compliance with section 1126 of the Bankruptcy

1 Code, which section requires that the solicitation be conducted in compliance with all applicable  
 2 nonbankruptcy laws, rules, or regulations or, if there are no such applicable laws, rules, or  
 3 regulations, that the disclosure statement for such plan contains “adequate information.” Under  
 4 section 1125 of the Bankruptcy Code, “adequate information” is defined as information of a kind  
 5 and in sufficient detail to the extent it is reasonably practicable in light of the nature and history of a  
 6 company and the condition of such company’s books and records, that would enable a hypothetical  
 7 reasonable investor typical of holders of claims or equity interests of the relevant class to make an  
 8 informed judgment about the Plan.

9           Except as described herein or in the Motion for Approval of Disclosure Statement and  
 10 Solicitation Procedures, the Bankruptcy Code generally requires, as a condition to confirmation,  
 11 that each class of Claims or Interests that is Impaired under the Plan accept the Plan. A Class of  
 12 Claims has accepted the Plan if the Plan has been accepted by Holders of Claims that hold at least  
 13 two-thirds in dollar amount and more than one-half in number of the Allowed Claims of such Class  
 14 that actually vote to accept or reject the Plan. Holders of Claims that fail to vote are not counted as  
 15 either accepting or rejecting the Plan. A Class of Interests has accepted the Plan if the Plan has  
 16 been accepted by Holders of at least two-thirds in amount of the Allowed Interests in that Class that  
 17 actually vote to accept or reject the Plan.

18           For the reasons discussed below, the Backstop Investors believe that all the requirements of  
 19 Bankruptcy Rule 3018(b) will be satisfied. Votes will be solicited from the ultimate beneficial  
 20 Holders of Impaired Claims and Interests in Class 3, Class 4, Class 5 and Class 6. The Backstop  
 21 Investors also believe that this Disclosure Statement contains adequate information within the  
 22 meaning of section 1125 of the Bankruptcy Code.

23           **2.       *Best Interests Test.***

24           Before the Plan may be confirmed, the Bankruptcy Court must find with respect to any  
 25 Impaired Class containing members that have rejected the Plan, that the Plan provides that each  
 26 Holder of a Claim will receive or retain under the Plan on account of such Claim property that has a  
 27 value, as of the Effective Date of the Plan, that is not less than the value of the distribution each such  
 28 Entity would receive or retain if the Debtor were liquidated on the Effective Date under chapter 7 of

1 the Bankruptcy Code. The Backstop Investors believe that this test will be satisfied.

2 To determine what members of each Impaired Class of Claims would receive if the Debtor  
3 were liquidated under chapter 7, the Court must consider the values that would be generated from a  
4 liquidation of the assets and properties of the Debtor in the context of a hypothetical liquidation  
5 case under chapter 7. In the absence of a confirmed plan, the Estate would incur the costs of a  
6 trustee on top of other expenses of administering the liquidation process, and the risk of a distressed  
7 sale could substantially depress the value of the Assets, including the Property. In addition, failure  
8 to abide by the agreed upon distribution allocations reflected in the Plan could generate inter-  
9 Creditor litigation which would increase costs, thereby reducing as well as delaying distributions to  
10 Creditors. Holders of Class 4 and Class 5 Claims or Class 6 Interests would receive less  
11 distributions, if any, under either liquidation or an out-of-court foreclosure.

12 A conversion of the Chapter 11 Case to chapter 7 would entail the mandatory appointment  
13 of a trustee. To administer the Estate responsibly, a chapter 7 trustee, and the trustee's staff and  
14 professionals, would necessarily devote substantial time and effort to familiarizing themselves with  
15 the affairs of the Debtor and the Chapter 11 Case, including asset dispositions and investigation of  
16 Claims in addition to performing the same services to be performed by the Distribution Agent. This  
17 could entail hundreds of hours of additional professional services and concomitant expense. Thus,  
18 the costs of liquidation under chapter 7 would include fees payable to a trustee in bankruptcy, as  
19 well as those that might be payable to his or her attorneys and to other professionals that such trustee  
20 may engage, plus any unpaid expenses incurred by the Debtor during the Chapter 11 Case that would  
21 be allowed in the chapter 7 case, such as compensation for attorneys, appraisers, accountants, or  
22 other professionals and costs and expenses of the Debtor and any committee. Such Administrative  
23 Claims would have to be paid in Cash, in full from the liquidation proceeds before the balance of  
24 those proceeds could be made available to pay Allowed Priority Claims and Allowed Unsecured  
25 Claims from the Chapter 11 Case. Not only will the costs increase as a result thereof, but the  
26 Creditors will suffer a loss on the time value of their money as the chapter 7 trustee will necessarily  
27 require more time to liquidate the Assets, resolve Disputed and unliquidated Claims and ultimately  
28 make distributions to Creditors. Finally, Holders of Claims and Interests in Class 4, Class 5 and

1 Class 6 would likely receive no distributions.

2 Therefore, the Backstop Investors believe that in a chapter 7 liquidation there would (i) be an  
 3 additional layer of administrative expense (including the trustee's commissions and fees for  
 4 professionals) and would, correspondingly, reduce the funds available to satisfy Claims, (ii) likely  
 5 be significant delays in distributions and (iii) be no increment in value and might be significant  
 6 reductions in recoverable value of the Assets due to the conversion of the case. A copy of the  
 7 Liquidation Analysis is attached hereto as **Exhibit "Q"** and is incorporated herein by this reference.  
 8 Thus the Backstop Investors believe that the Plan meets the "best interests" test by providing each  
 9 Holder of an Impaired Claim, including the First Lien Secured Claim Holders, with a recovery that  
 10 is not less than it would receive pursuant to the Debtor's liquidation under chapter 7 of the  
 11 Bankruptcy Code as of the Effective Date.

12 **3. *Feasibility of the Plan.***

13 Section 1129(a)(11) of the Bankruptcy Code requires a finding that confirmation of a plan is  
 14 not likely to be followed by the liquidation, or the need for further financial reorganization, of the  
 15 Debtor or any successor-in-interest. To determine whether the Plan meets this feasibility  
 16 requirement, the Backstop Investors have analyzed their ability to meet their respective obligations  
 17 under the Plan, including the debt-service obligations of New Borrower in connection with the  
 18 Refinanced Secured Note. As part of this analysis, the Backstop Investors have utilized the  
 19 Debtor's projections and other published information, as well as their analysis of same, and  
 20 therefore submit that New Borrower, as successor to the Debtor under the Plan, is unlikely to be  
 21 liquidated or require further financial reorganization following confirmation of the Plan as projected  
 22 cash flows from the Assets are sufficient to cover the New Borrower's projected operating costs and  
 23 debt service obligations.

24 **4. *Classification.***

25 Section 1122 of the Bankruptcy Code sets forth the requirements relating to classification of  
 26 claims. Section 1122(a) of the Bankruptcy Code provides that Claims or Interests may be placed in  
 27 a particular Class only if they are substantially similar to the other Claims or Interests in that Class.  
 28 The Backstop Investors believe that all Classes under the Plan satisfy the requirements of section

1 1122(a) of the Bankruptcy Code.

2 Class 3, Class 4, Class 5 and Class 6 are all Impaired and each Class may vote to reject the  
3 Plan. The Bankruptcy Court may nevertheless confirm the Plan if all other requirements of section  
4 1129(a) of the Bankruptcy Code are satisfied, and if the Bankruptcy Court determines that the Plan  
5 "does not discriminate unfairly" and is "fair and equitable" with respect thereto.

6 **a. No Unfair Discrimination.**

7 This test applies to Classes of Claims or equity Interests that are of equal priority and are  
8 receiving different treatment under a plan or reorganization. The test does not require that the  
9 treatment be the same or equivalent, but that such treatment be "fair." Since Distributions being  
10 made to Classes 4-6 are gifts from the Backstop Investors and are not being distributed according  
11 to the Bankruptcy Code "absolute priority" strictures, none of the Creditors or Interest Holders are  
12 being treated in an unfair discriminatory manner.

13 **b. Fair and Equitable Test.**

14 The Bankruptcy Code establishes different "cramdown" tests for determining whether a  
15 plan is "fair and equitable" to dissenting impaired classes of secured creditors, unsecured creditors  
16 and equity interest Holders as follows:

17 (i) **Secured Creditors**

18 A plan of reorganization is fair and equitable as to an impaired class of secured claims that  
19 rejects the plan if the plan provides: (i) that each holder in the rejecting class (A) retains the liens  
20 securing its claim to the extent of the allowed amount of such claim, whether the property subject  
21 to those liens is retained by the debtor or is transferred to another entity, and (B) receives on  
22 account of its secured claim deferred cash payments having a present value, as of the effective date  
23 of the plan of reorganization, at least equal to the value of such holder's interest in the estate's  
24 interest in such property; (ii) for the sale, subject to section 363(k) of the Bankruptcy Code, of any  
25 property that is subject to the liens securing the claims included in the rejecting class, free and clear  
26 of such liens, with such liens to attach to the proceeds of the sale and the treatment of such liens on  
27 proceeds in accordance with clause (i) or (ii) of this paragraph; or (iii) that each holder in the  
28 rejecting class realizes the "indubitable equivalent" of its allowed secured claim.

(ii) Unsecured Creditors

A plan of reorganization is fair and equitable as to an impaired class of unsecured claims that rejects the plan if the plan provides that: (i) each holder of a claim included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan of reorganization, equal to the amount of its allowed claim; or (ii) the holders of claims and interests that are junior to the claims of the rejecting class will not receive or retain any property under the plan of reorganization on account of such junior claims or interests.

### (iii) Equity Interest Holders

A plan of reorganization is fair and equitable as to an impaired class of equity interests that rejects the plan if the plan provides that: (i) each holder of an equity interest included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan of reorganization, equal to the greatest of the allowed amount of (A) any fixed liquidation preference to which such holder is entitled, (B) the fixed redemption price to which such Holder is entitled, or (C) the value of the equity interest; or (ii) the holder of any equity interest that is junior to the equity interests of the rejecting class will not receive or retain any property under the plan of reorganization on account of such junior interest.

The Backstop Investors believe the Plan is fair and equitable as to Holders of Claims and Interests in Classes that may vote to reject the Plan because the Plan provides that their Allowed Claims or Interests will be either unimpaired, or they will receive their “absolute priority” entitlements under the Bankruptcy Code. Any distributions made outside of “absolute priority” entitlements are gifts from the Backstop Investors and are not subject to the Bankruptcy Code “absolute priority” strictures.

As a further condition to approving a cramdown, the Bankruptcy Court must find that the Plan does not “discriminate unfairly” in its treatment of dissenting Classes. A plan does not “discriminate unfairly” if (a) the Plan does not treat any dissenting Impaired Class of Claims or Interests in a manner that is materially less favorable than the treatment afforded to another Class with similar legal Claims against or Interests in the Debtor and (b) no Class receives payments in excess of that which it is legally entitled to receive for its Claims or Interests. The Backstop

1 Investors believe the Plan meets all the requirements of the fair and equitable standard, and that it  
 2 does not discriminate unfairly as to any Impaired Class of Claims or Interests.

3 The Backstop Investors believe that the proposed Plan is in the best interest of its Creditors  
 4 because under the Plan it is expected that Holders of Claims and Interests will receive in excess of  
 5 what otherwise would be recovered by such Holders if the Debtor was liquidated under chapter 7 or  
 6 if the Bankruptcy Case was dismissed.

7 **5. Confirmation Hearing.**

8 Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after notice, to  
 9 hold a hearing on confirmation of the Plan after the Ballots have been cast. The Confirmation  
 10 Hearing may be postponed from time to time by the Bankruptcy Court without further notice  
 11 except for an announcement of the postponement made at the Confirmation Hearing. Section  
 12 1128(b) of the Bankruptcy Code provides that any party-in-interest may object to confirmation of  
 13 the Plan.

14 At the Confirmation Hearing, the Bankruptcy Court will determine, among other things,  
 15 whether the confirmation requirements specified in section 1129(a) of the Bankruptcy Code have  
 16 been satisfied.

17 The Backstop Investors believe that, upon acceptance of the Plan by one of Class 3, 4, 5 or  
 18 6, the Plan will satisfy all of the applicable Bankruptcy Code requirements, that the Backstop  
 19 Investors have complied or will have complied with all of the Bankruptcy Code requirements and  
 20 that the Plan is being proposed and will be submitted to the Bankruptcy Court in good faith.

22 **ARTICLE VII.**

23 **ALTERNATIVE TO CONFIRMATION AND CONSUMMATION OF THE PLAN**

24 The Backstop Investors believe that the Plan affords Holders of Allowed Claims and  
 25 Interests the potential for a fair realization of the value of Assets that is more than would be realized  
 26 under a chapter 7 liquidation and therefore is in the best interest of such Holders. In the opinion of  
 27 the Backstop Investors, no other feasible alternative is presently known to the Backstop Investors  
 28 that would afford Holders of Claims and Interests the returns and potential upside that may be

achieved under the Plan.

If no plan can be confirmed, the Chapter 11 Case may be converted to a case under chapter 7 of the Bankruptcy Code, under which a trustee would be appointed to liquidate the Assets for distribution to Creditors in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on the recovery by Holders of Claims and Interests is set forth under “Best Interests Test,” *see supra* Section VI.C.2. Based on the liquidation analysis discussed herein, the Backstop Investors believe that a chapter 7 liquidation would result in distributions to Holders of Claims and Interests that are substantially less than those proposed in the Plan and, in fact, most Holders of Claims and Interests would receive nothing in a chapter 7 liquidation.

Alternatively, if no plan can be confirmed, the Chapter 11 Case may be dismissed, or followed by a foreclosure. In such event, Class 3 will likely not be paid in full, and all other Claims and Interests will likely receive no distribution.

THE BACKSTOP INVESTORS BELIEVE THAT CONFIRMATION AND IMPLEMENTATION OF THE PLAN IS PREFERABLE BECAUSE IT IS EXPECTED TO PROVIDE GREATER RECOVERIES AND INVOLVE LESS DELAY AND UNCERTAINTY AND LOWER ADMINISTRATIVE COSTS. ACCORDINGLY, THE BACKSTOP INVESTORS URGE HOLDERS OF CLASS 3 (FIRST LIEN SECURED CLAIMS), CLASS 4 (TRADE UNSECURED CLAIMS), CLASS 5 (NON-TRADE UNSECURED CLAIMS), AND CLASS 6 (OLD MEMBERSHIP INTERESTS) TO VOTE TO ACCEPT THE PLAN BY SO INDICATING ON THEIR BALLOTS AND RETURNING THEM AS SPECIFIED IN THE NOTICE.

## ARTICLE VIII.

## **CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS OF THE PLAN**

## A. Introduction.

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230,  
HOLDERS OF CLAIMS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF  
FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR

1 WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY HOLDERS OF  
2 CLAIMS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON  
3 HOLDERS OF CLAIMS UNDER THE INTERNAL REVENUE CODE; (B) SUCH  
4 DISCUSSION IS BEING USED IN CONNECTION WITH THE PROMOTION OR  
5 MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE BACKSTOP  
6 INVESTORS OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C)  
7 HOLDERS OF CLAIMS AND INTERESTS SHOULD SEEK ADVICE BASED ON THEIR  
8 PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

9 A summary description of certain material U.S. federal income tax consequences of the Plan  
10 is provided below. This description is for informational purposes only and, due to a lack of  
11 definitive judicial or administrative authority or interpretation, substantial uncertainties exist with  
12 respect to various tax consequences of the Plan as discussed herein. Only the principal  
13 consequences of the Plan for Holders of Claims who are entitled to vote to accept or reject the Plan  
14 are described below. No opinion of counsel has been sought or obtained with respect to any tax  
15 consequences of the Plan. No rulings or determinations of the Internal Revenue Service (“IRS”) or  
16 any other tax authorities have been or will be sought or obtained with respect to any tax  
17 consequences of the Plan, and the discussion below is not binding upon the IRS or such other  
18 authorities. No assurance can be given that the IRS would not assert, or that a court would not  
19 sustain, a different position from any discussed herein. No representations are being made  
20 regarding the particular tax consequences of the confirmation or implementation of the Plan as to  
21 any Holder of a Claim.

22 The discussion of U.S. federal income tax consequences below is based on the Internal  
23 Revenue Code of 1986, as amended (the “IRC”), the Treasury Regulations promulgated thereunder,  
24 judicial authorities, published positions of the IRS, and other applicable authorities, all as in effect  
25 on the date hereof and all of which are subject to change or differing interpretations (possibly with  
26 retroactive effect).

27 The following discussion does not address foreign, state or local tax consequences of the  
28 Plan, nor does it purport to address the U.S. federal income tax consequences of the Plan to special

1 classes of taxpayers (e.g., banks and certain other financial institutions, insurance companies, tax-  
 2 exempt organizations, Holders of Claims or Interests who are (or who hold their Claims through)  
 3 pass-through entities, persons whose functional currency is not the U.S. dollar, foreign persons,  
 4 dealers in securities or foreign currency, and persons holding claims that are a hedge against, or that  
 5 are hedged against, currency risk or that are part of a straddle, constructive sale or conversion  
 6 transaction). The following discussion does not address U.S. federal taxes other than income taxes.

7 **Each Holder of a Claim or Interest is urged to consult its own tax advisor regarding  
 8 the U.S. federal, state, local and any foreign tax consequences of the transactions described  
 9 herein or in the Plan.**

10 **B. Certain U.S. Federal Income Tax Consequences to the Debtor.**

11 Because the Debtor is treated as a disregarded entity for U.S. federal income tax purposes,  
 12 the Debtor will have no federal income tax consequences as a result of the Plan. Because the Assets  
 13 are deemed to be owned, for federal income tax purposes, by FX LLC, the tax effects to FX LLC as  
 14 a result of the Plan would include FX LLC's realization of a substantial amount of discharge of  
 15 indebtedness income. In addition, FX LLC will recognize income or loss upon the disposition of its  
 16 real estate equal to the difference between the fair market value of the real estate and FX LLC's  
 17 adjusted tax basis in the real estate. The treatment of FX LLC, and its partners, with respect to the  
 18 recognition of this income or loss is beyond the scope of this Disclosure Statement.

19 **C. Tax Consequences to Creditors.**

20 **1. *General.***

21 The U.S. federal income tax consequences of the transactions contemplated by the Plan to  
 22 Holders of Allowed Claims (including the character, timing and amount of income, gain or loss  
 23 recognized) generally will depend upon, among other things: (1) the manner in which a Holder  
 24 acquired the Claim on account of which it receives a Distribution; (2) the length of time such Claim  
 25 has been held; (3) the Holder's method of tax accounting; (4) whether the Holder of a Claim has  
 26 taken a bad debt deduction with respect to the Claim (or any portion of the Claim) in the current or  
 27 prior years; (5) whether the Claim was acquired at a discount; (6) whether the Holder of a Claim has  
 28 previously included accrued but unpaid interest with respect to the Claim; (7) whether the Claim is

1 an installment obligation for U.S. federal income tax purposes; and (8) whether the Claim  
 2 constitutes a “security” for U.S. federal income tax purposes. Therefore, Holders of Claims should  
 3 consult their own tax advisors for information that may be relevant to their particular situations and  
 4 circumstances and the particular tax consequences to them of the transactions contemplated by the  
 5 Plan.

6 The term of the First Lien Loan and the Second Lien Loan was eighteen (18) months in each  
 7 case. Based on the term of each of the Loans, the Debtor does not believe that the Loans would be  
 8 treated as securities for federal income tax purposes. The following description of the U.S. federal  
 9 income tax effects to creditors of implementing the Plan assumes that the Loans are not securities  
 10 for U.S. federal income tax purposes.

11 The Plan provides that, to the extent that any Allowed Claim entitled to a Distribution under  
 12 the Plan is comprised of indebtedness and accrued but unpaid interest on such indebtedness, such  
 13 Distribution will, to the extent permitted by applicable law, be allocated for U.S. federal income tax  
 14 purposes to the principal amount of the Claim first and then, to the extent the consideration exceeds  
 15 the principal amount of the Claim, to the portion of the Claim representing accrued but unpaid  
 16 interest. However, current U.S. federal income tax law is unclear on this point and no assurance can  
 17 be given that the IRS will not challenge this position.

18 Holders of Allowed Administrative and Priority Claims will receive Cash in satisfaction of  
 19 such Allowed Claims as soon as practicable after the Effective Date. Each such Holder of a Claim  
 20 will recognize gain or loss equal to the difference between the Cash it receives and its adjusted tax  
 21 basis in such Claim. Any gain or loss will be capital or ordinary, depending on whether the Claim  
 22 is a capital asset in the hands of a Holder. If such Claim is a capital asset, the gain or loss will be  
 23 long-term if the Claim has been held for more than one year.

24 Holders of Class 2 Claims whose Claims are being reinstated should have no U.S. federal  
 25 income tax consequences as a result of such reinstatement. The treatment of any Cure amounts paid  
 26 to Holders of Class 2 Claims will depend upon the classification of such payments as principal or  
 27 interest, and whether such amounts have previously been included in income under the Holder’s  
 28 method of accounting. Holders of Class 2 Claims who will receive payment in satisfaction,

1 settlement, release and exchange for its Allowed Secured Claims, will have gain or loss equal to the  
 2 difference between the amount received by each Holder and the Holder's adjusted tax basis in its  
 3 Claim. Any gain or loss will be capital or ordinary, depending on whether the Claim is a capital  
 4 asset in the hands of a Holder. If such Claim is a capital asset, the gain or loss will be long-term if  
 5 the Claim has been held for more than one year. To the extent that the Claim constitutes interest not  
 6 previously included in the Holder's income, such amount will be treated as ordinary interest income.

7 Holders of Class 3 First Lien Loan Claims, Class 4 Trade Unsecured Claims, and Class 5  
 8 Non-Trade Unsecured Claims receiving Distributions, in full satisfaction, settlement, release and  
 9 exchange for their Allowed Claims, will have gain or loss equal to the difference between the  
 10 amount of Cash and/or the fair market value of the Distributions received by each Holder and the  
 11 Holder's adjusted tax basis in its Claim. Any gain or loss will be capital or ordinary, depending on  
 12 whether the Claim is a capital asset in the hands of a Holder. If such Claim is a capital asset, the  
 13 gain or loss will be long-term if the Claim has been held for more than one year. To the extent that  
 14 the Claim constitutes interest which the Holder of the Claim has not previously included in the  
 15 Holder's income, such amount will be treated as ordinary interest income.

16 Also, to the extent a debt instrument is acquired after its original issuance for less than the  
 17 issue price of such instrument, however, it will have market discount. A holder of a Claim with  
 18 market discount generally must treat any gain recognized on the satisfaction of such Claim as  
 19 ordinary income to the extent that it does not exceed the market discount that has already been  
 20 accrued with respect to such Claim.

21 **2. *Original Issue Discount.***

22 The Refinanced First Lien Note may be issued with original issue discount, or "OID," for  
 23 U.S. federal income tax purposes. If the Refinanced First Lien Note is treated as having been issued  
 24 with OID, the payee will be required to include OID in gross income for U.S. federal income tax  
 25 purposes in advance of the receipt of cash attributable to that income regardless of its method of tax  
 26 accounting. The amount of OID includible in income with respect to each note will be the sum of  
 27 the daily portions of OID with respect to the note for each day during the taxable year or portion of  
 28 the taxable year in which the payee holds the note. The daily portion will be determined by

1 allocating to each day in an “accrual period” a pro rata portion of the OID allocable to that accrual  
 2 period. The amount of OID allocable to an accrual period will equal the excess of (a) the product of  
 3 the note’s adjusted issue price at the beginning of the accrual period and the note’s yield to maturity  
 4 (as determined by us, and properly adjusted for the length of the accrual period) over (b) the sum of  
 5 the payments of stated interest on the note allocable to the accrual period. The “adjusted issue  
 6 price” of the Refinanced First Lien Note at the beginning of any accrual period will equal the issue  
 7 price of the note increased by the amount of accrued OID allocable to all prior accrual periods.

8           ***3. Backup Withholding.***

9           Certain payments, including Distributions or payment in respect of Claims pursuant to the  
 10 Plan, are generally subject to information reporting by the payor to the IRS. Moreover, such  
 11 reportable payments are subject to backup withholding under certain circumstances. Under the  
 12 IRC’s backup withholding rules, a Holder of a Claim may be subject to backup withholding with  
 13 respect to Distributions or payments made pursuant to the Plan, unless the Holder (1) comes within  
 14 certain exempt categories (which generally include corporations) and, when required, demonstrate  
 15 this fact or (2) provide a correct U.S. taxpayer identification number and make certain certifications  
 16 under penalties of perjury.

17           Backup withholding is not an additional tax. Amounts withheld under the backup  
 18 withholding rules may be credited against a Holder’s U.S. federal income tax liability and such  
 19 Holder may obtain a refund of any excess amounts withheld under backup withholding rules  
 20 typically by filing a U.S. federal income tax return.

13 **RECOMMENDATION AND CONCLUSION**

14 The Backstop Investors believe that the Plan provides the best possible recoveries for  
 15 Creditors that can be achieved in any reasonable time frame and that possible alternatives are likely  
 16 to result in delayed Distributions for all and diminished recoveries for other Holders of Claims or  
 17 Interests. Therefore, the Backstop Investors urge all Holders of Claims in Class 3, 4, 5 and 6 to vote  
 18 to accept the Plan.
